

# Math Delight - 2

## **Universal Active Math**

Math has many languages

The language of hands and fingers

The language of words

The language of sounds

The language of pictures

The language of things

The language of shapes

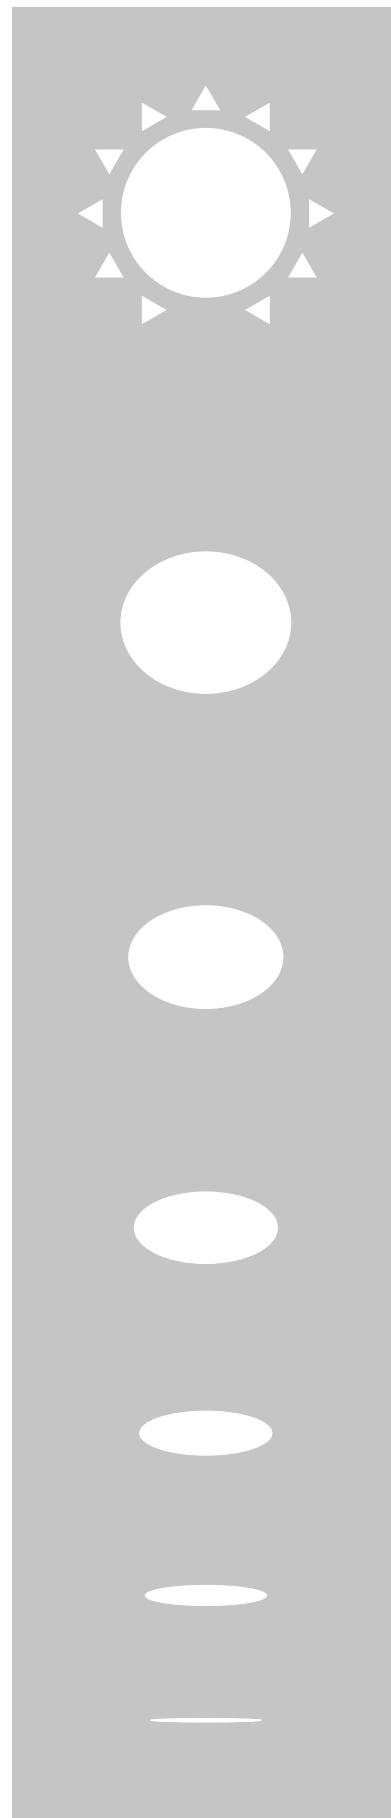

The language of patterns

The language of numbers

Math does not have only one language. Therefore it cannot be learned only through paper, pen or blackboard nor can it be memorized/ learned by rote.

This method aims at introducing all the languages of math. We will use objects for the language of things, and then for the language of pictures and the language of numbers we will use Math Delight.

The child who is familiar with this way of learning math, would enjoy, discover, understand, and master math.

# **Universal Active Math**

Dear \_\_\_\_\_

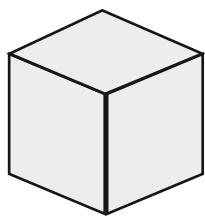

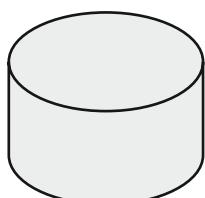

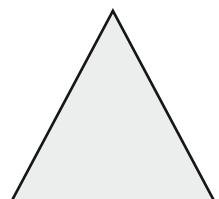

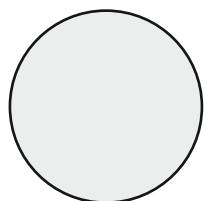

This is your book.  
Your Math book.  
Have fun doing the problems.  
Enjoy Math!

Teacher \_\_\_\_\_

Draw your picture here :

Look at the given shape.

Draw some objects of similar shape that you see around you.

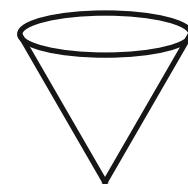

Draw a line matching the shape with its description.

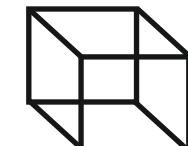

A flat shape with four corners

A cube with eight corners

A shape with two flat circles

A shape with one flat circle

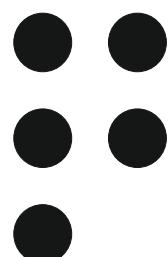

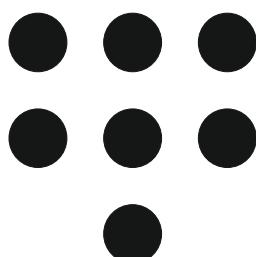

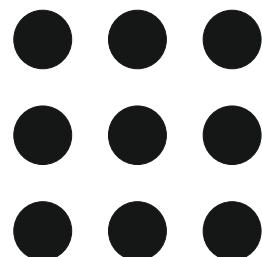

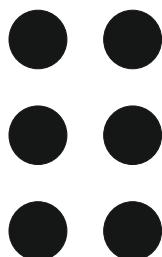

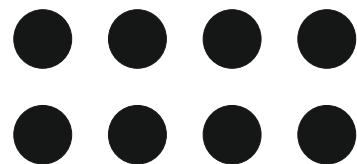

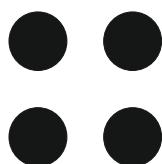

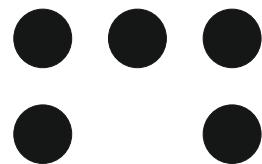

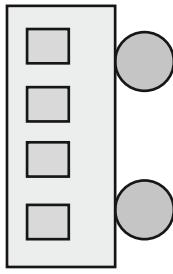

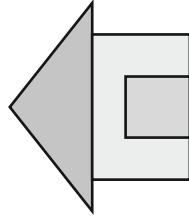

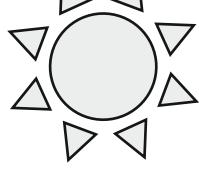

Draw the picture.

A sharp pointed object

A rolling object

How many? Write the number.

In which number position is the moon? \_\_\_\_\_

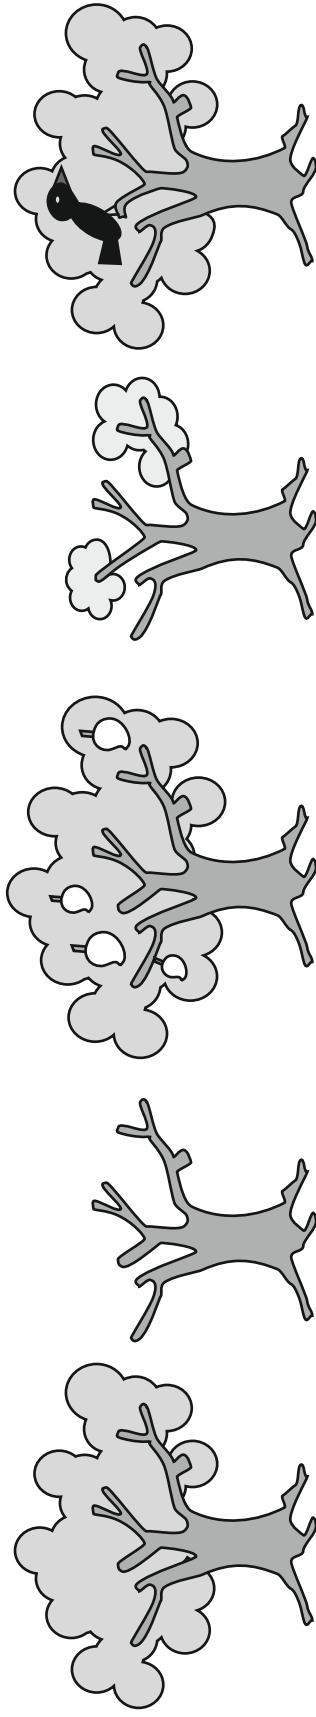

In which number position is the star? \_\_\_\_\_

In what number position is the bus? \_\_\_\_\_

Which is the fourth picture?  
\_\_\_\_\_

Which is the first picture?  
\_\_\_\_\_

5

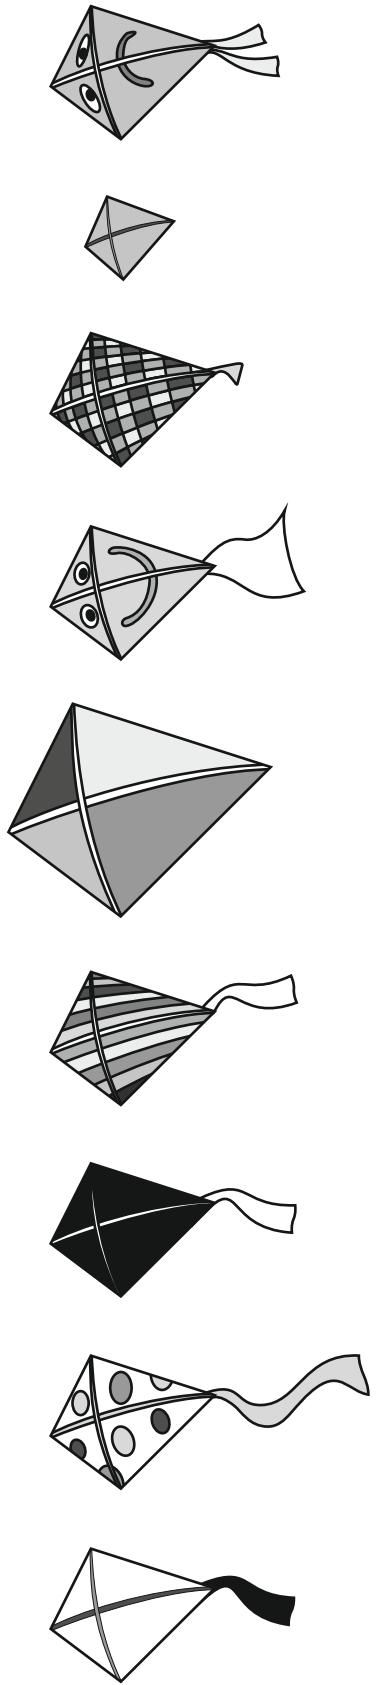

What is the first picture? \_\_\_\_\_

In which number position is the tree with the crow?  
\_\_\_\_\_

What is the difference between the second and the fourth tree?  
\_\_\_\_\_

In which number position is the mango tree?  
\_\_\_\_\_

What is the third tree of?  
\_\_\_\_\_

What colour is the third kite? \_\_\_\_\_

In what number position is the  
smiling kite? \_\_\_\_\_

What position is the striped kite? \_\_\_\_\_

What position is the kite  
with circles? \_\_\_\_\_

How many kites do not have tails? \_\_\_\_\_

How many with  
tails? \_\_\_\_\_ How many kites  
in all? \_\_\_\_\_

What is the mood of the ninth kite? \_\_\_\_\_

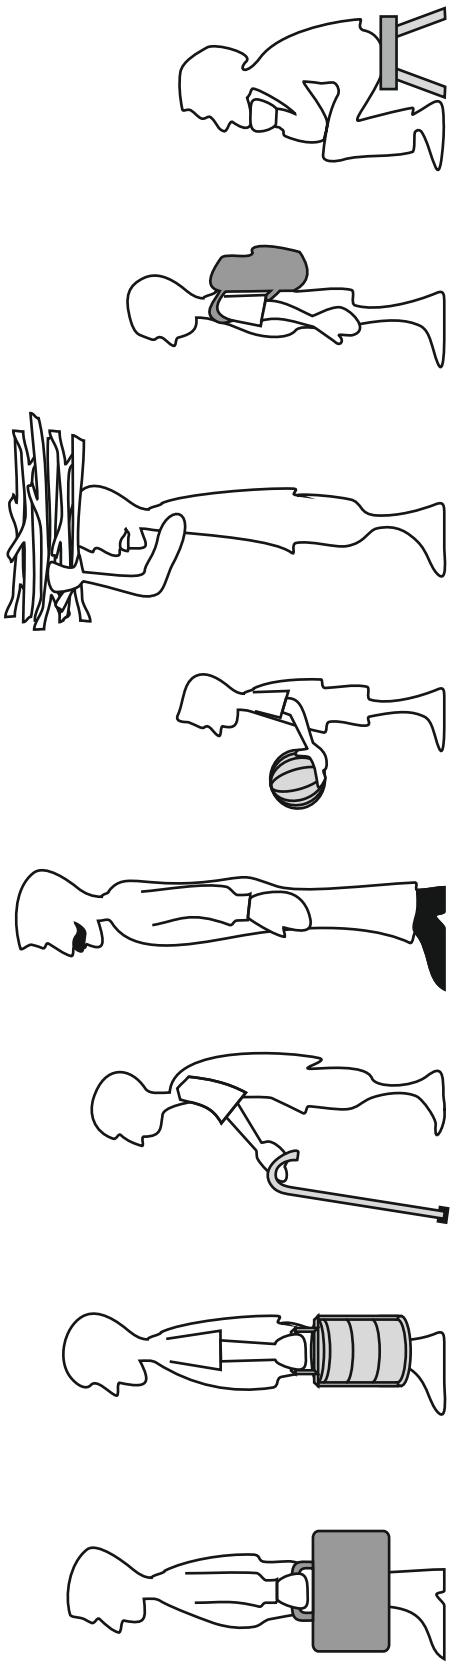

Colour the first kite.

How many kites have two tails? \_\_\_\_\_

How many kites are there before  
the biggest kite? \_\_\_\_\_

How many kites are there after  
the smallest kite? \_\_\_\_\_

In what position is the kite with  
the longest tail? \_\_\_\_\_

In which number position is the grandpa with stick? \_\_\_\_\_

What is the second man holding in his hand? \_\_\_\_\_

In which number position is the man with the bundle on his head? \_\_\_\_\_

In what position is the man with the moustache? \_\_\_\_\_

What is in the hand of the fifth person? \_\_\_\_\_

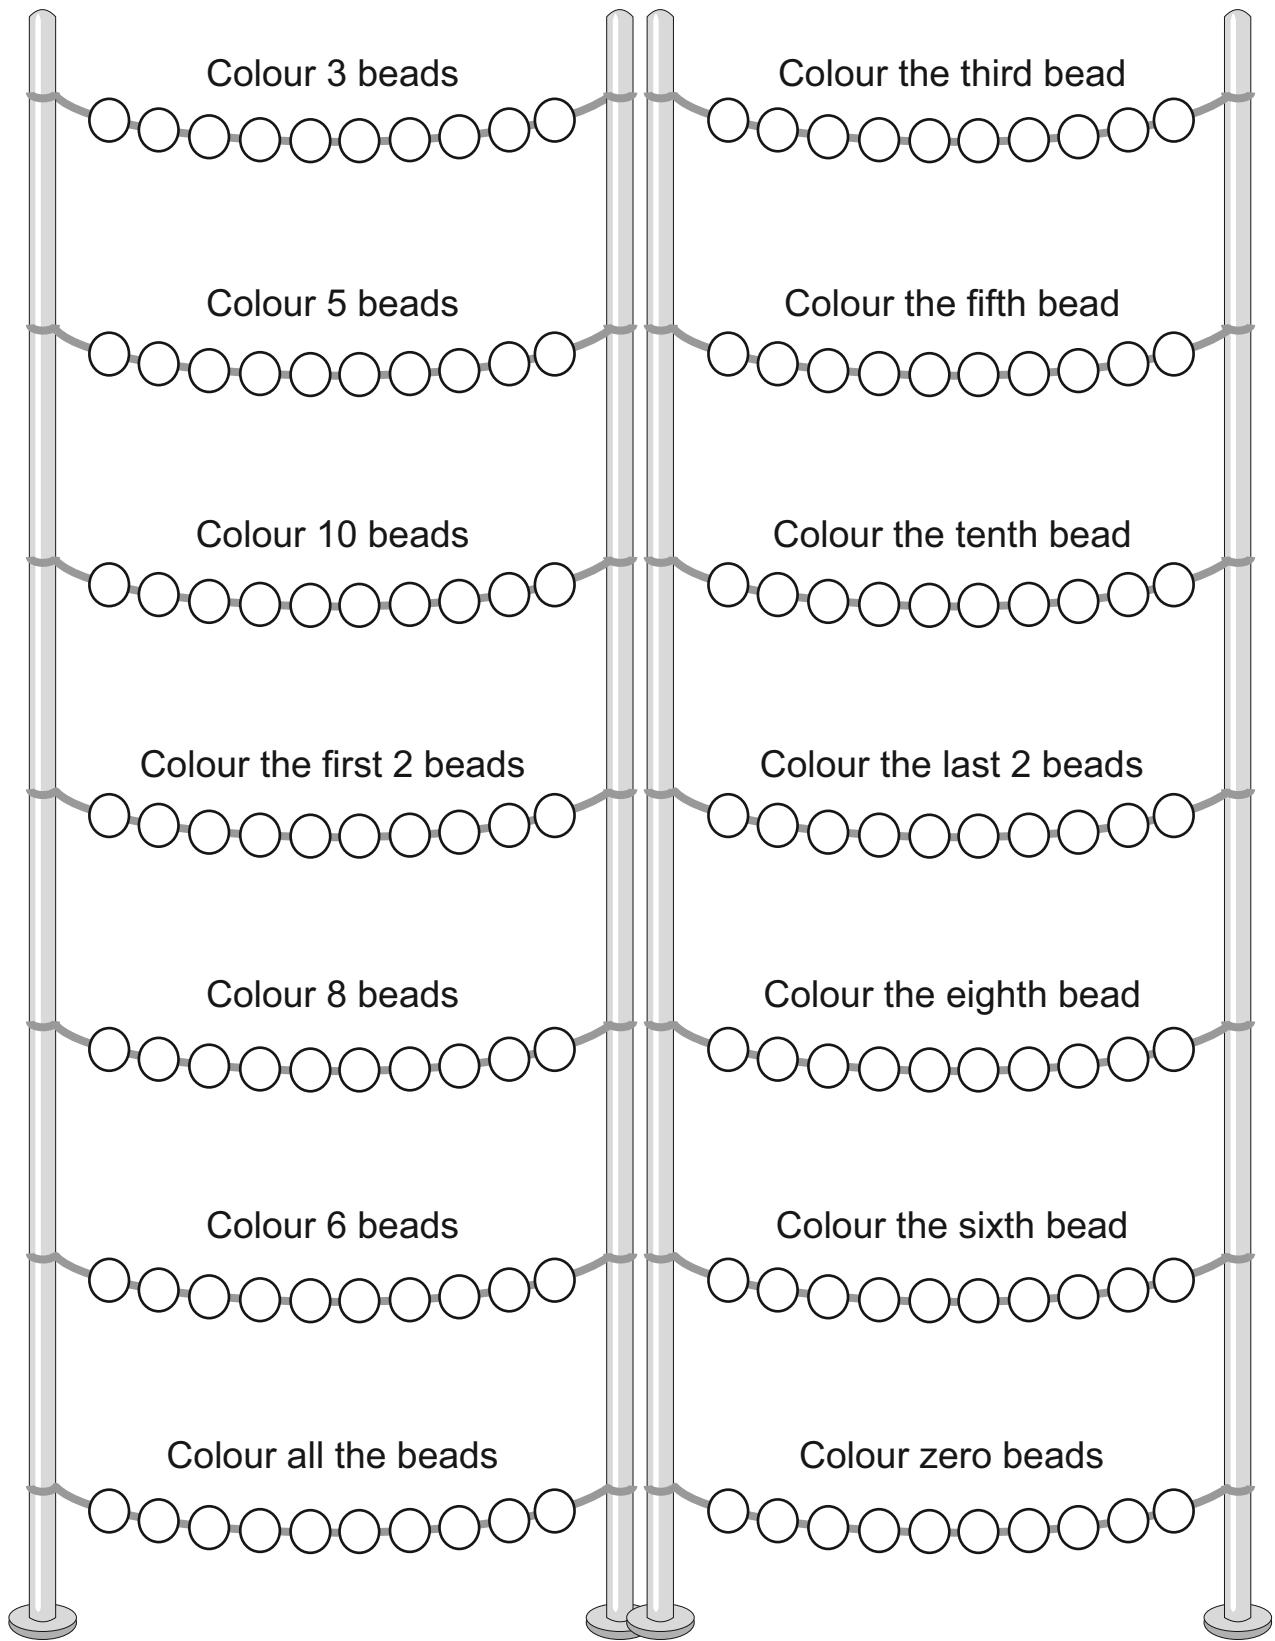

In what position is the child with the bag? \_\_\_\_\_

What is the first man holding? \_\_\_\_\_

How many small children are in the queue? \_\_\_\_\_

What is the total number of persons in the queue? \_\_\_\_\_

What is he doing? \_\_\_\_\_

### Addition grids

Write the additions in standing, sleeping and slant lines forwards and backwards.

|   |   |  |  |
|---|---|--|--|
|   |   |  |  |
| 2 | 3 |  |  |
| 1 | 4 |  |  |
|   |   |  |  |

|   |   |   |   |
|---|---|---|---|
| 6 | 3 | 7 | 4 |
| 5 | 2 | 3 | 5 |
| 5 | 1 | 4 | 5 |
| 4 | 3 | 7 | 6 |

Colour the pairs of alike numbers. Use a different colour for each pair. Observe the pattern.

Fill up the following grids and discuss the patterns.

|   |   |  |  |
|---|---|--|--|
|   |   |  |  |
| 3 | 2 |  |  |
| 4 | 1 |  |  |
|   |   |  |  |

|   |   |  |  |
|---|---|--|--|
|   |   |  |  |
| 2 | 3 |  |  |
| 5 | 4 |  |  |
|   |   |  |  |

|   |   |  |  |
|---|---|--|--|
|   |   |  |  |
| 1 | 3 |  |  |
| 0 | 4 |  |  |
|   |   |  |  |

Write any four single digit numbers in the central four boxes and observe the patterns.

|  |  |  |  |
|--|--|--|--|
|  |  |  |  |
|  |  |  |  |
|  |  |  |  |
|  |  |  |  |

|  |  |  |  |
|--|--|--|--|
|  |  |  |  |
|  |  |  |  |
|  |  |  |  |
|  |  |  |  |

|  |  |  |  |
|--|--|--|--|
|  |  |  |  |
|  |  |  |  |
|  |  |  |  |
|  |  |  |  |

Colour all possible combinations of addition rods of the given number and write addition - subtraction statements for each one of them.

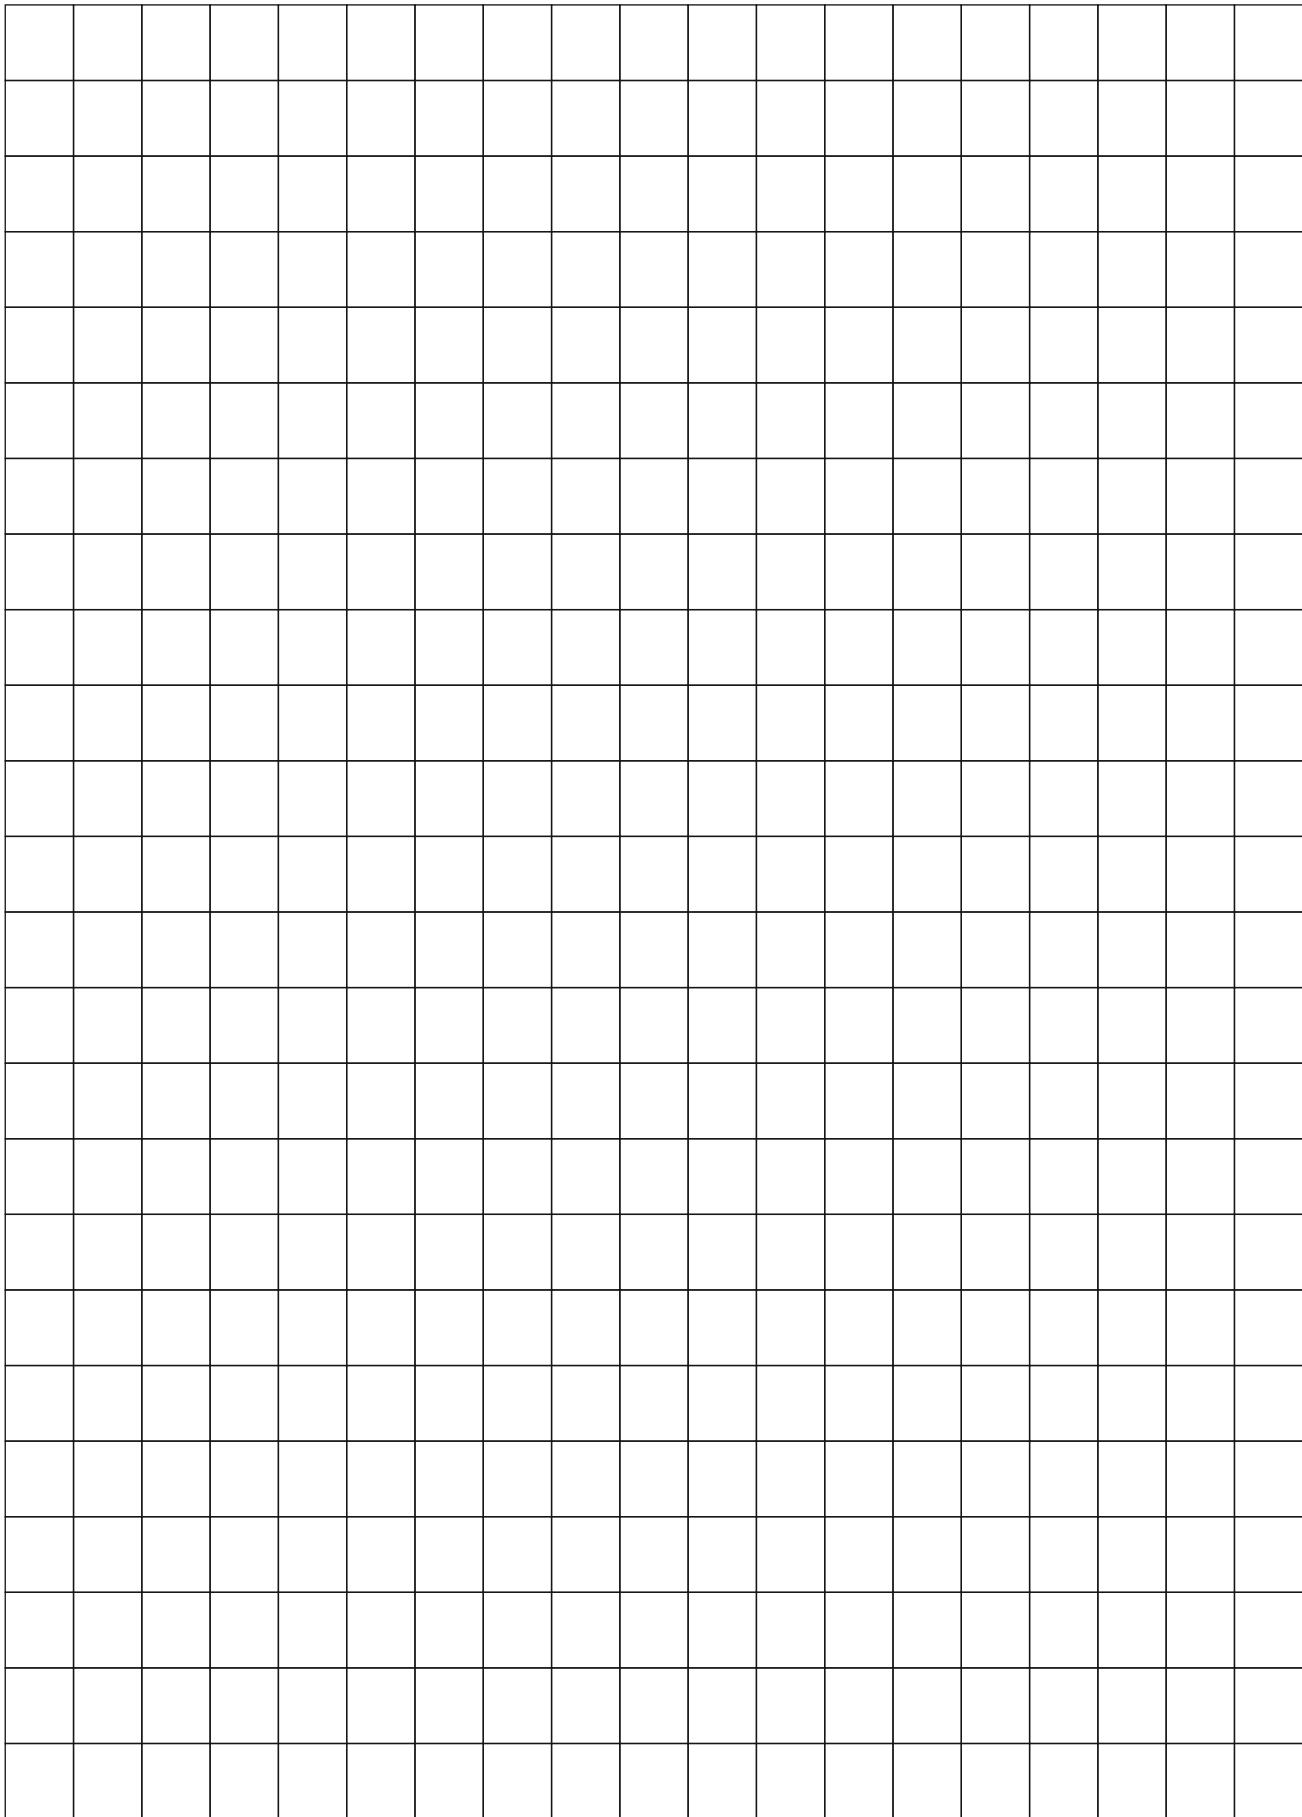

|         |  |  |  |  |
|---------|--|--|--|--|
| TOTAL 2 |  |  |  |  |
|         |  |  |  |  |
|         |  |  |  |  |
|         |  |  |  |  |
|         |  |  |  |  |
|         |  |  |  |  |
|         |  |  |  |  |
|         |  |  |  |  |
|         |  |  |  |  |
|         |  |  |  |  |
|         |  |  |  |  |
|         |  |  |  |  |
|         |  |  |  |  |

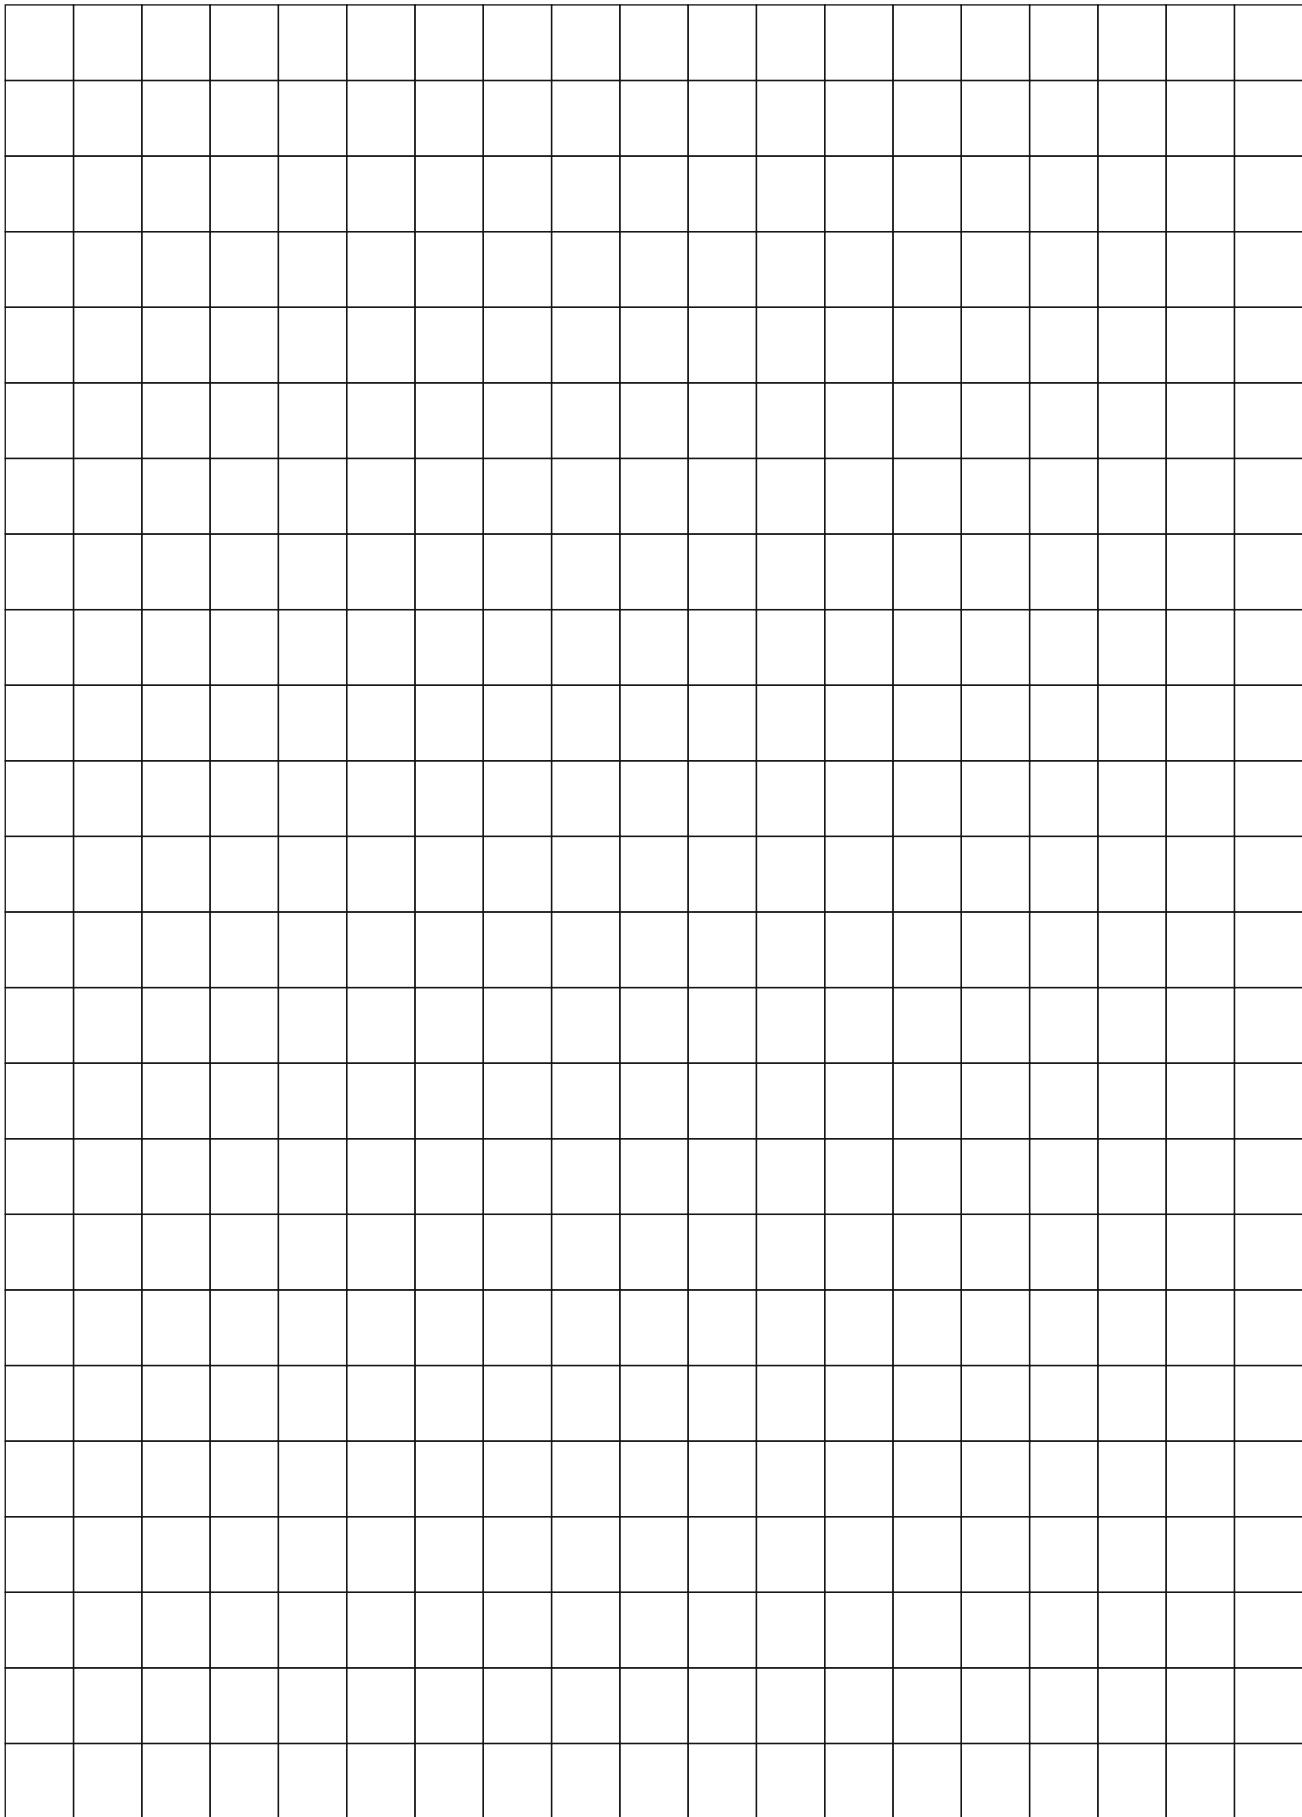

1 + 1 =   
  -  =

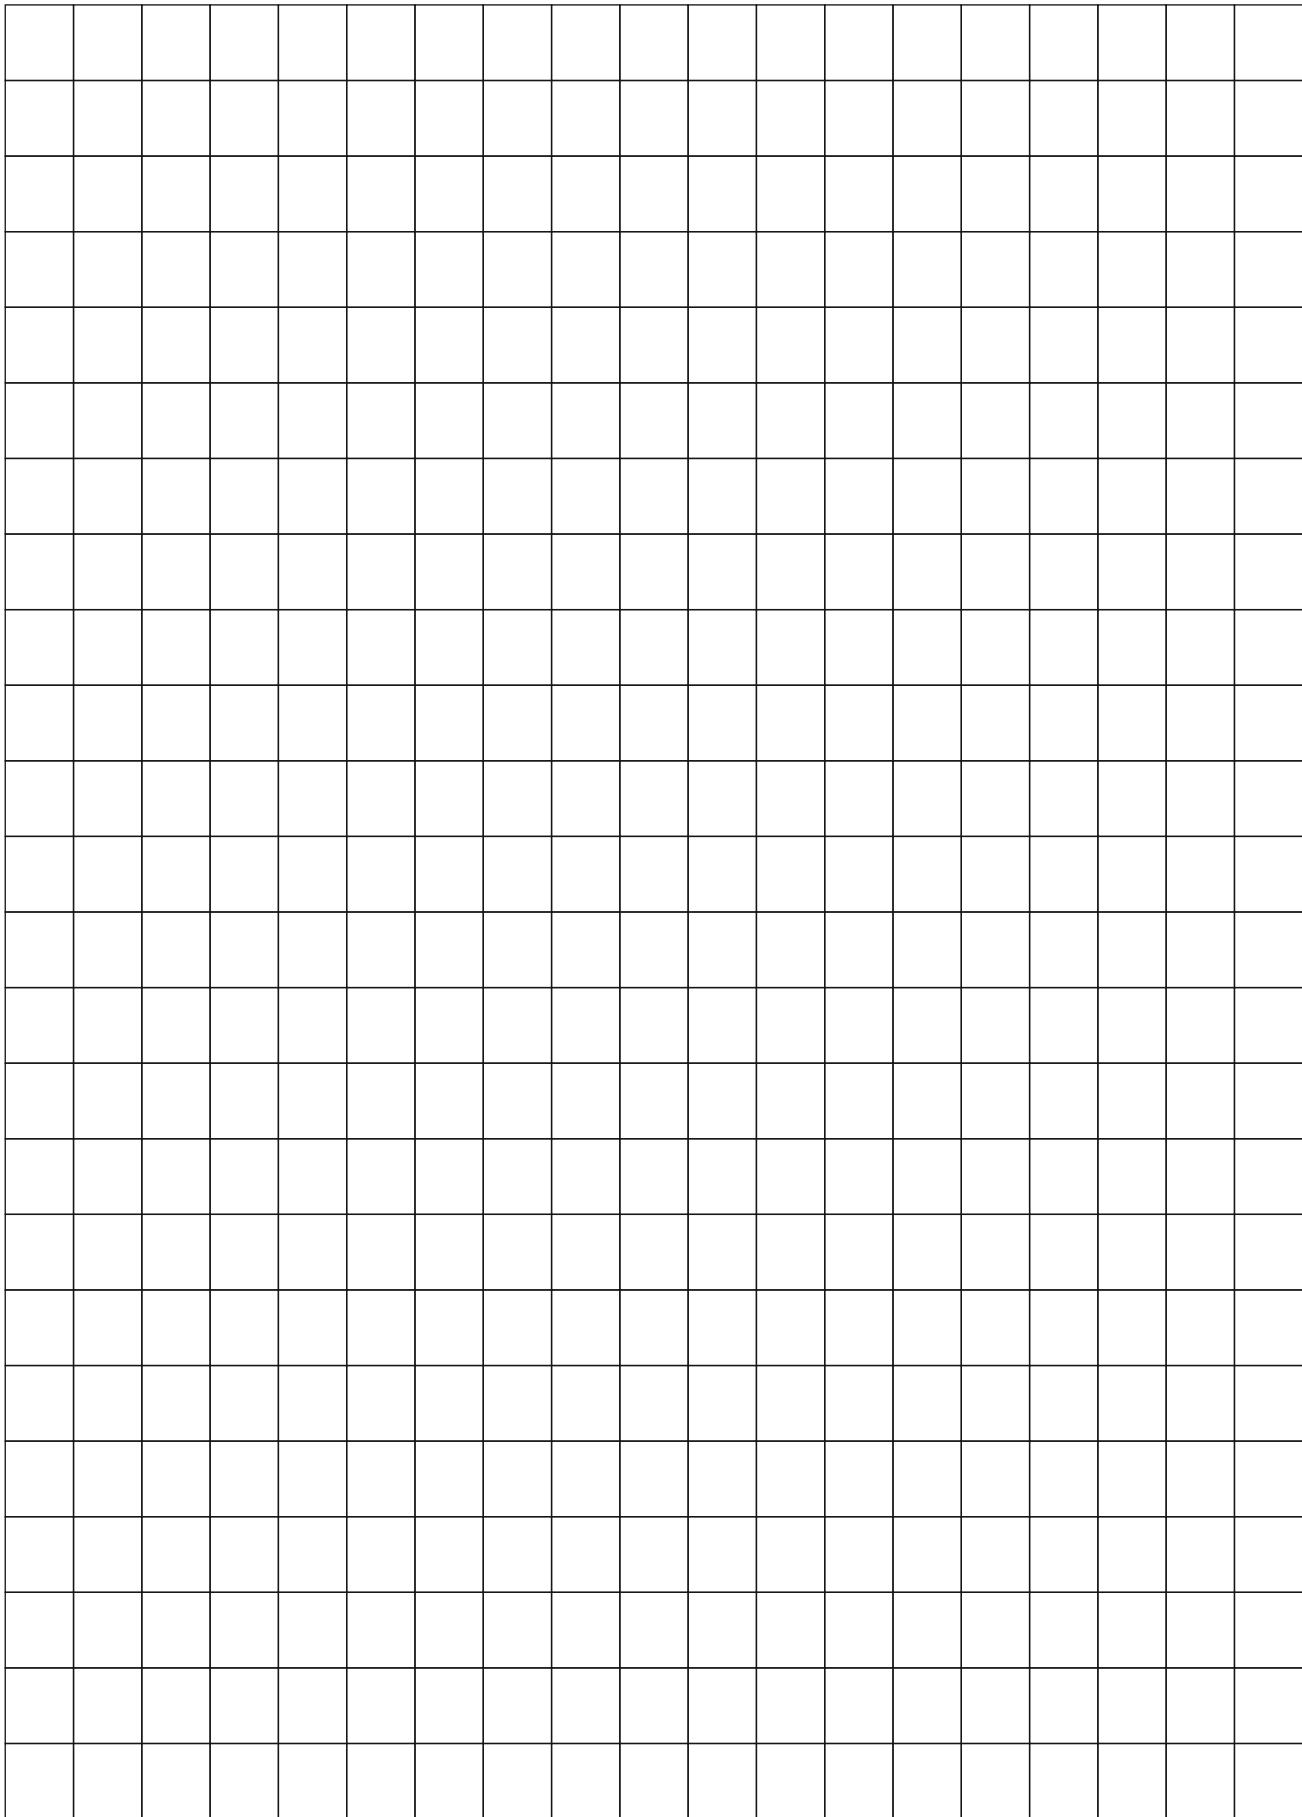

2 + 0 =   
0 + 2 =   
2 - 0 =   
2 - 2 =

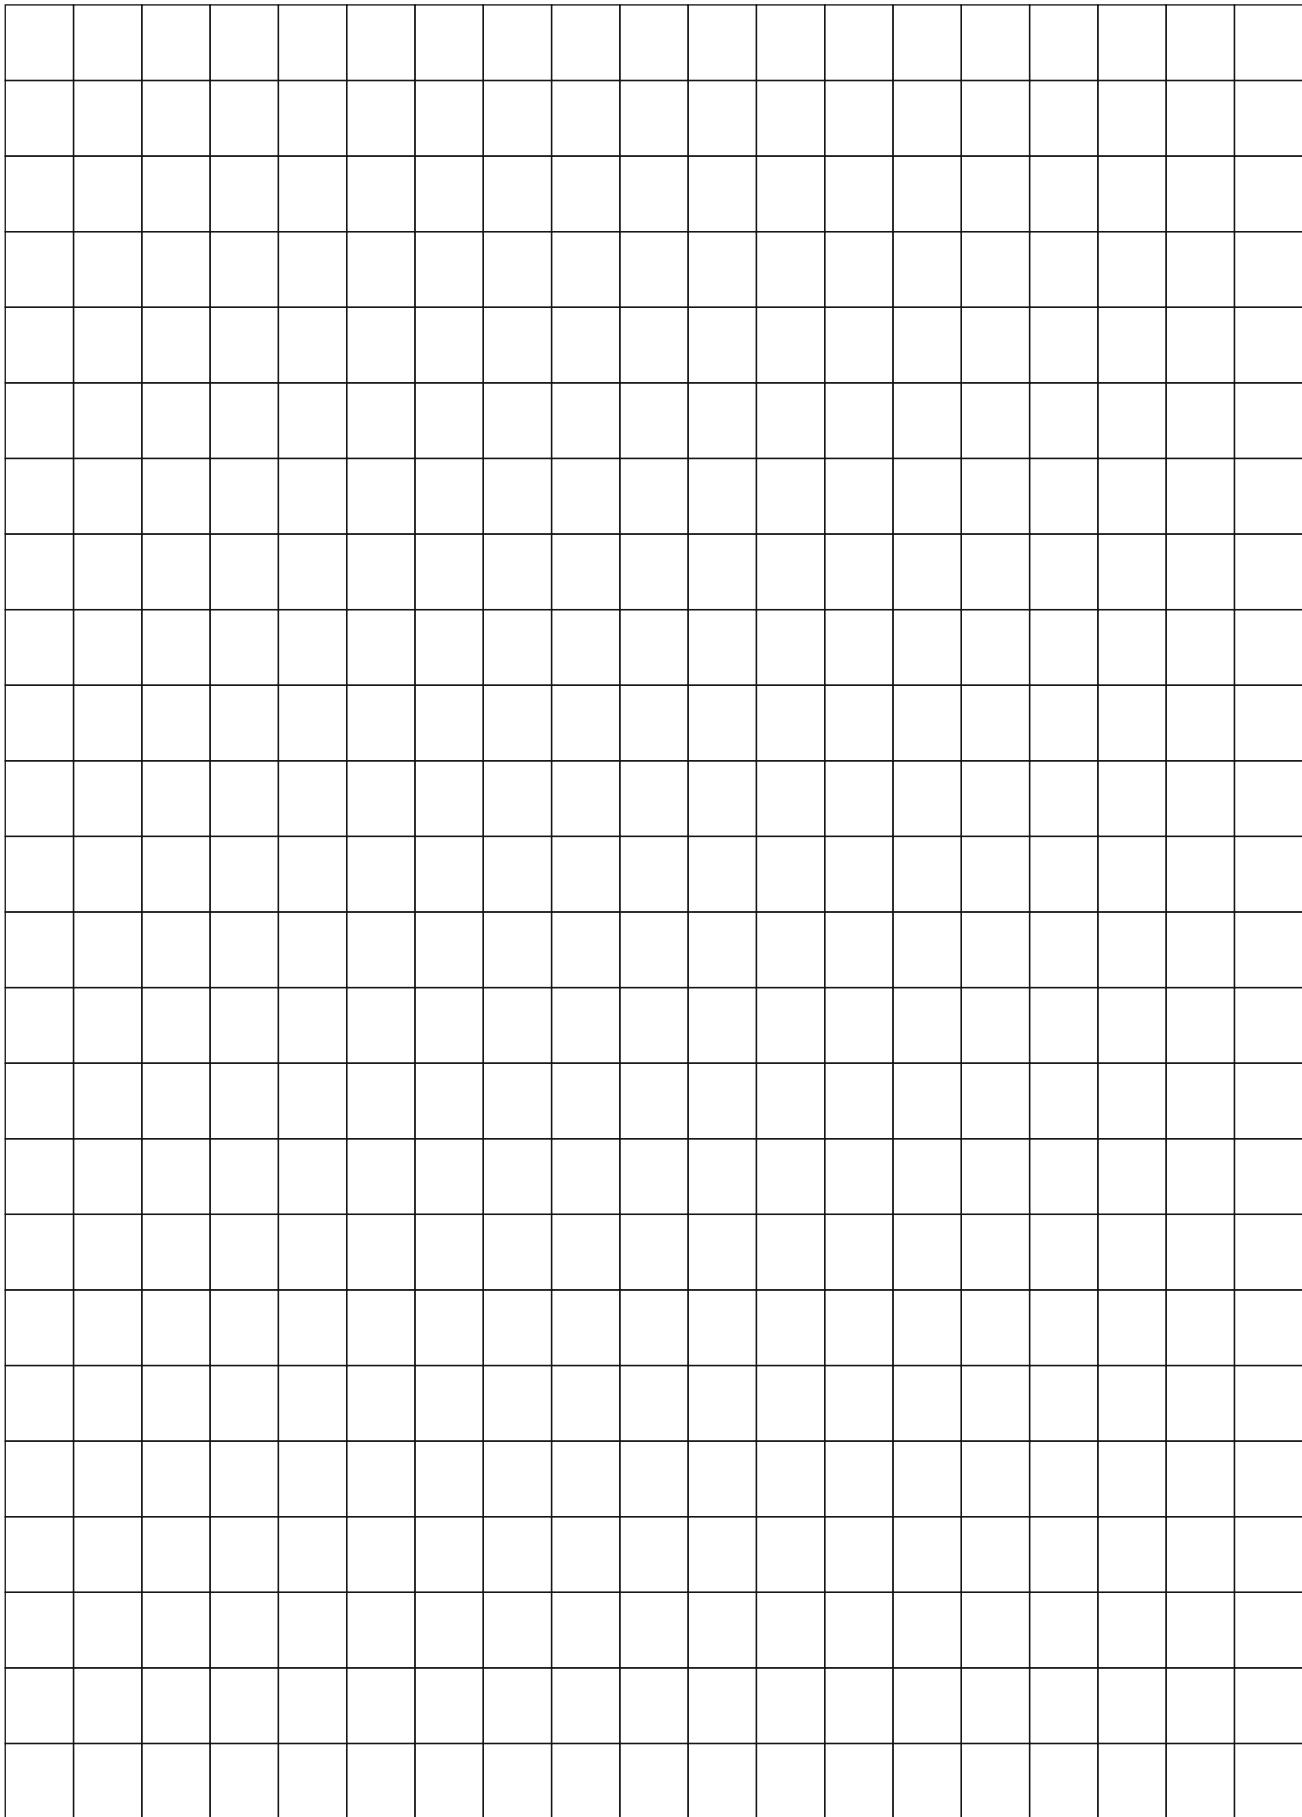

|   |   |   |   |   |         |  |  |   |  |   |  |  |  |
|---|---|---|---|---|---------|--|--|---|--|---|--|--|--|
|   |   |   |   |   | TOTAL 3 |  |  |   |  |   |  |  |  |
|   |   |   |   |   |         |  |  |   |  |   |  |  |  |

|   | - |   | = |   |         |  |  | - |  | = |  |  |  |
|   |   |   |   |   |         |  |  |   |  |   |  |  |  |
|   |   |   |   |   |         |  |  |   |  |   |  |  |  |
|   |   |   |   |   |         |  |  |   |  |   |  |  |  |
|   |   |   |   |   |         |  |  |   |  |   |  |  |  |

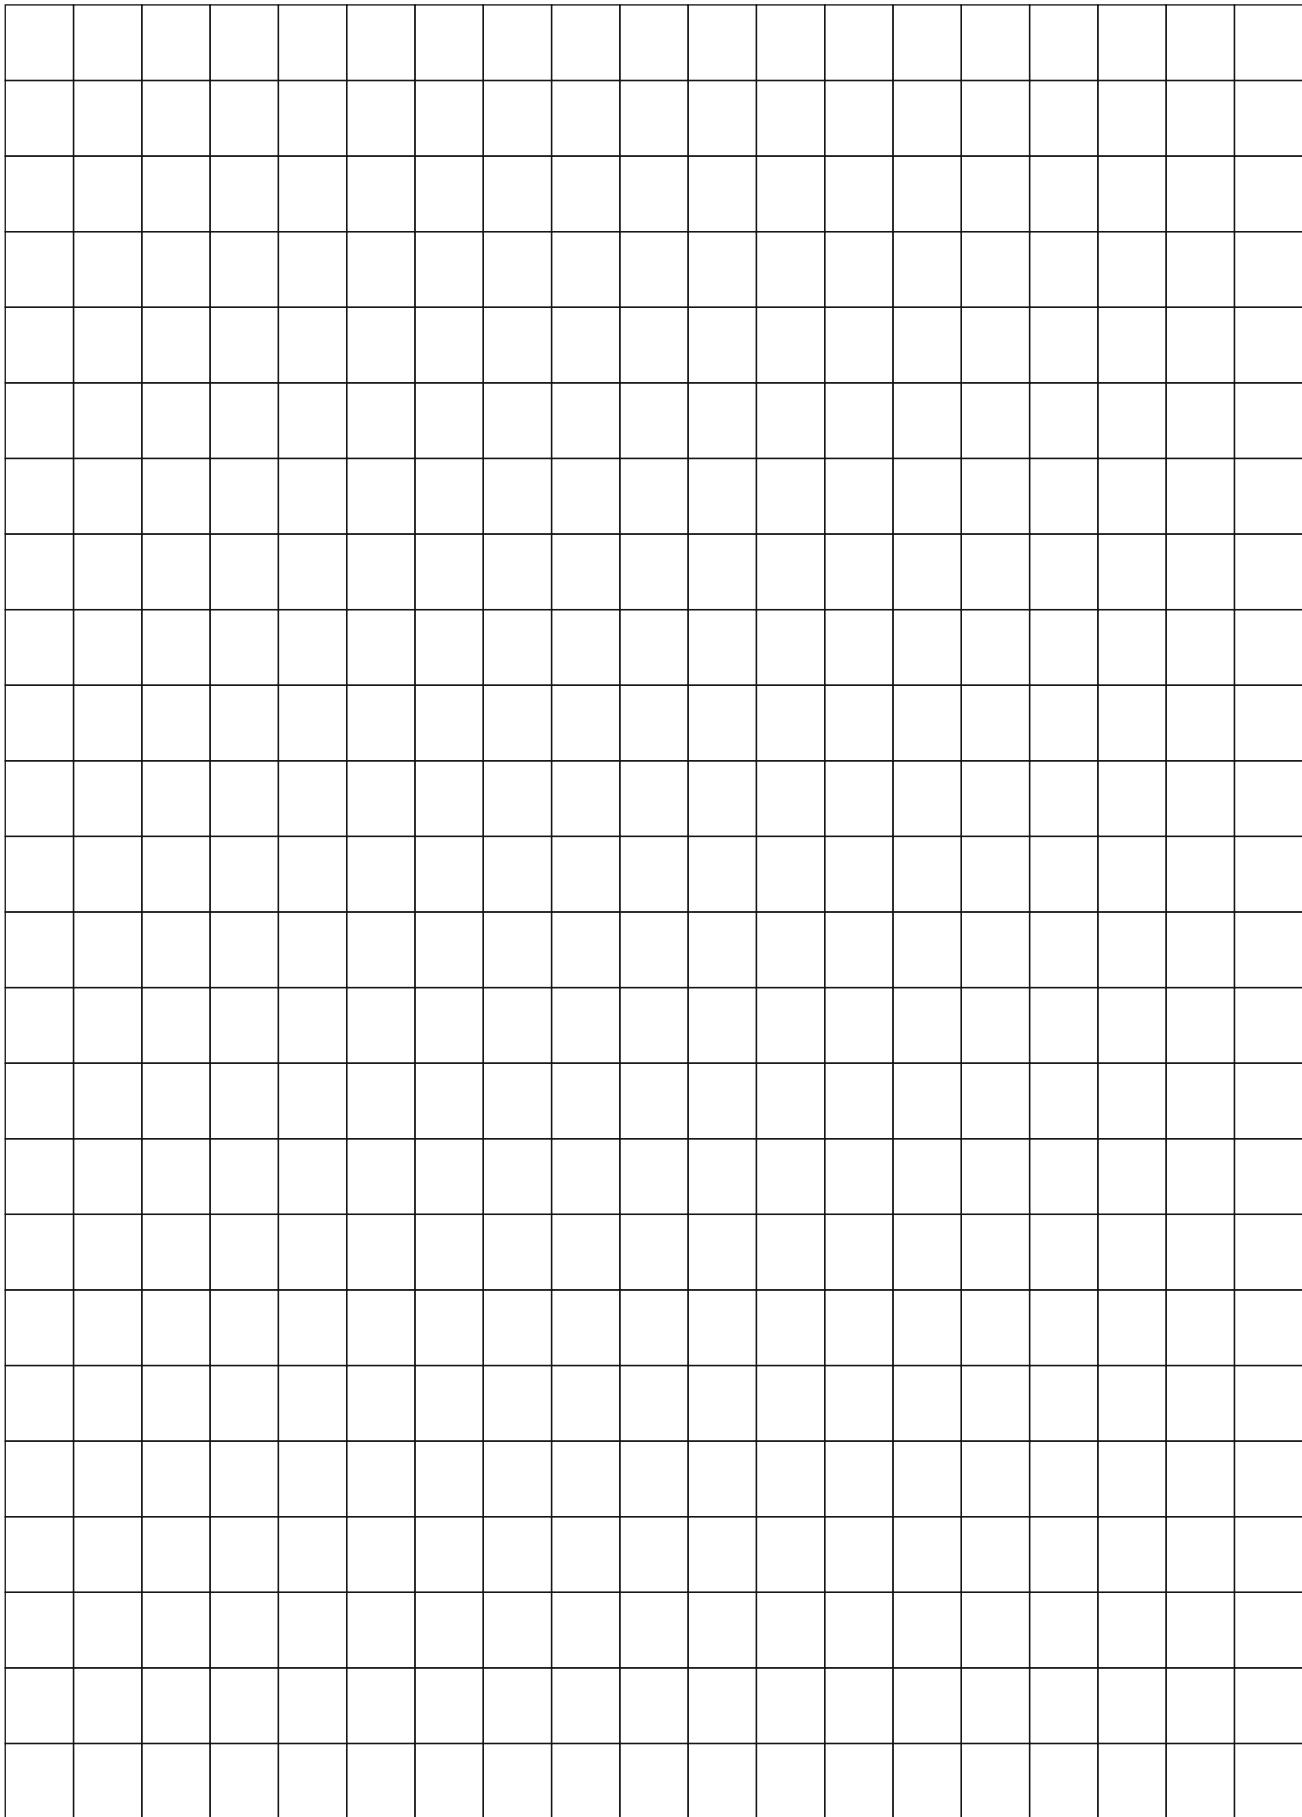

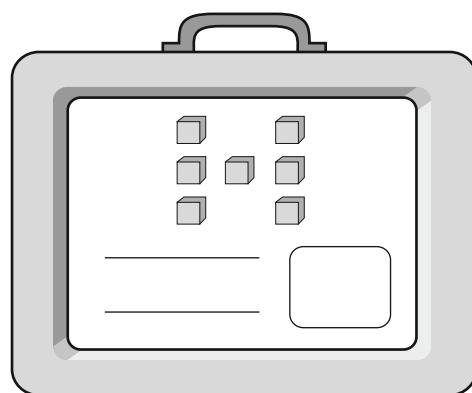

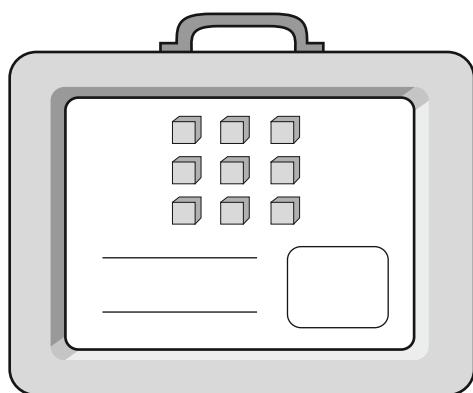

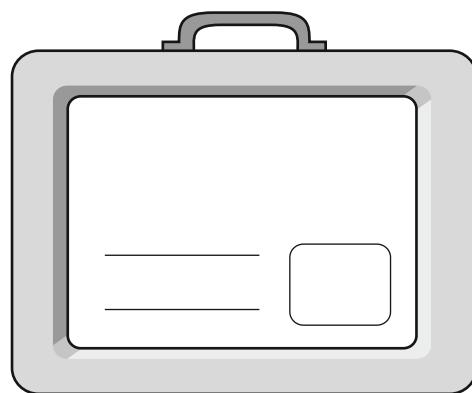

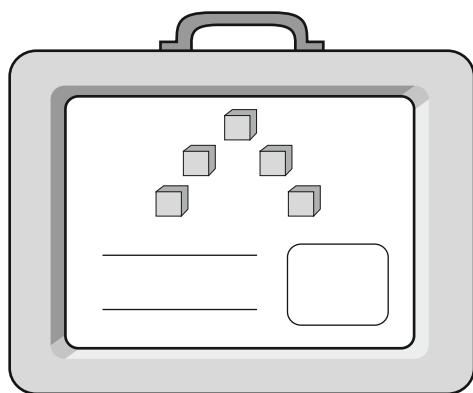

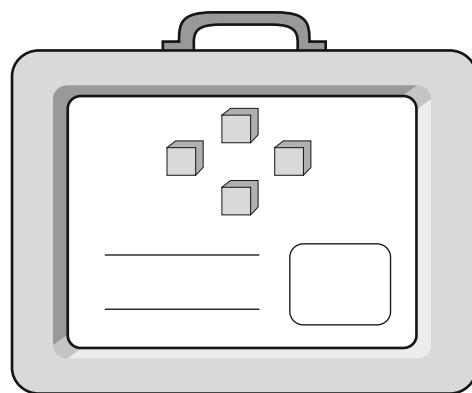

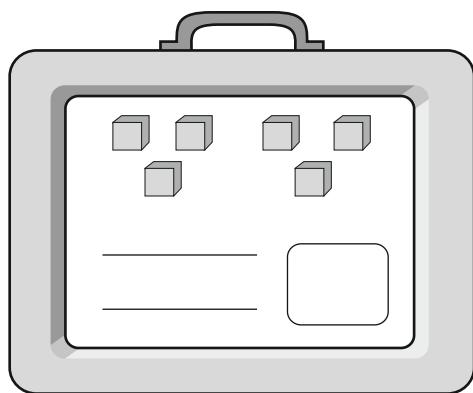

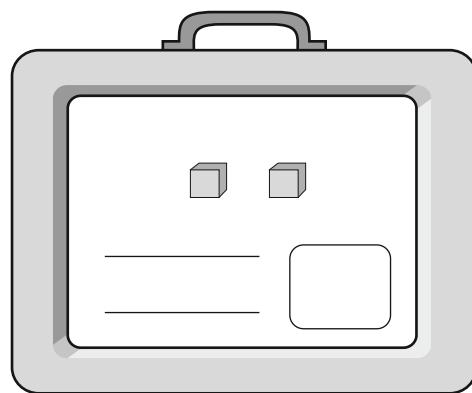

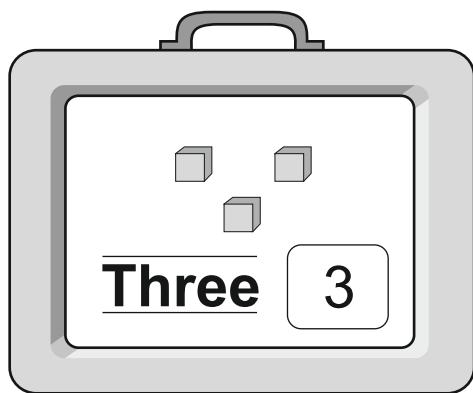

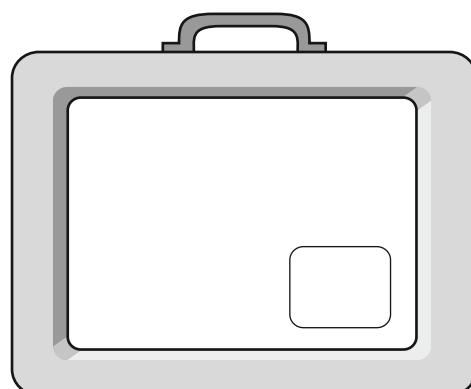

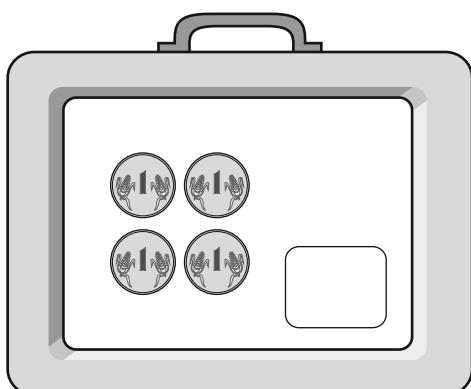

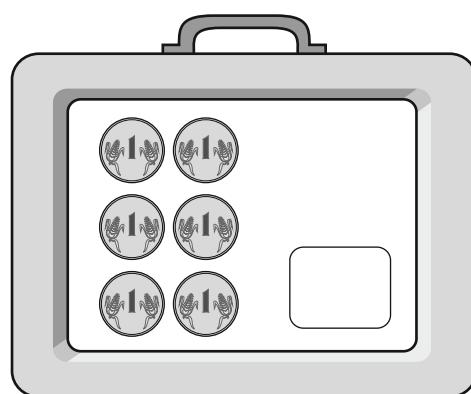

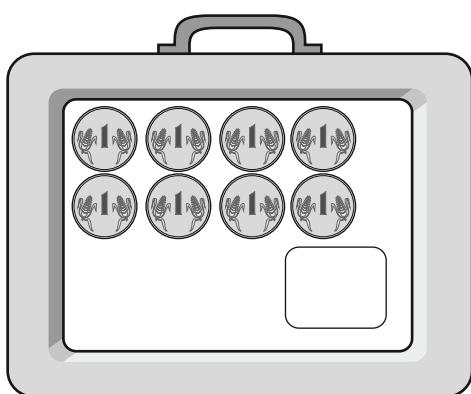

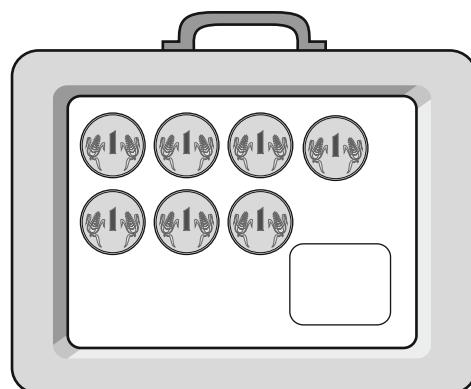

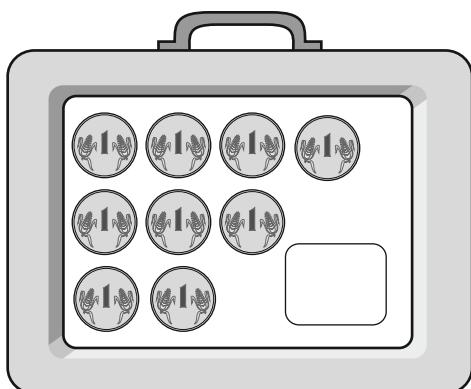

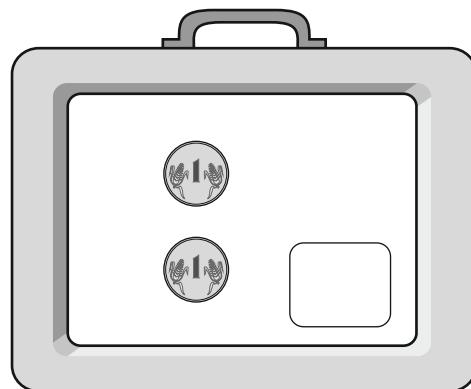

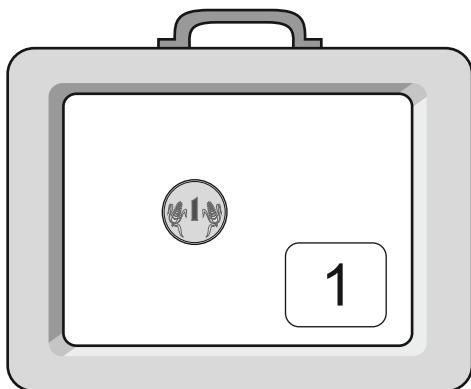

How many cubes on the slate? Write in words and numerals.

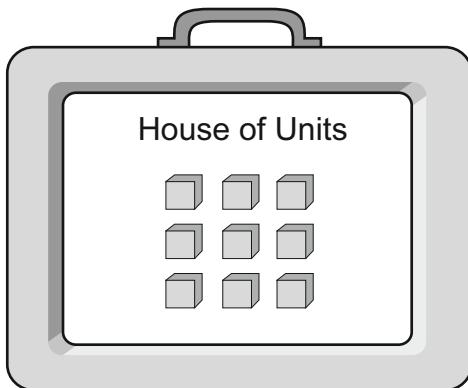

How many rupees on the slate? Write in numerals.

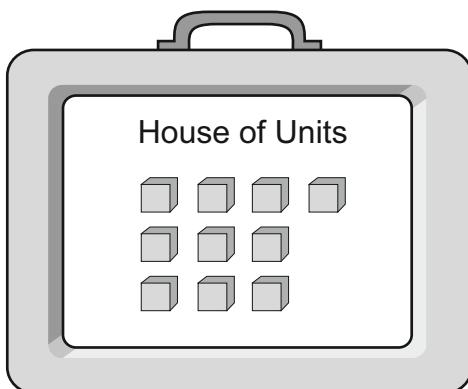

Ten Units = One Ten

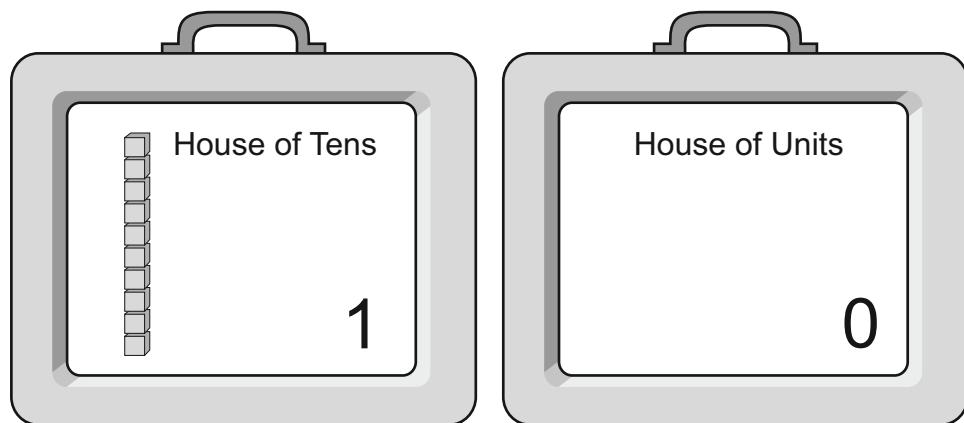

Nine Units on the slate

We place one more Unit.  
Now there are ten units  
on the slate.

Join the ten units to make a rod of Ten.  
Make a house of tens. Place the rod in the house of tens.

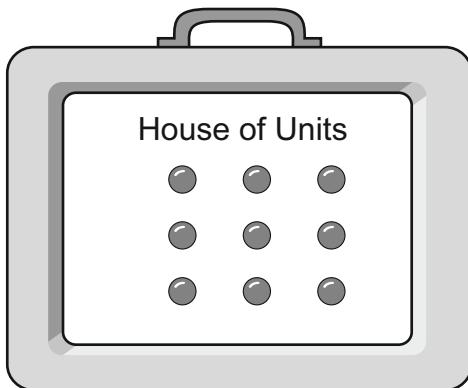

Ten Units = One Ten

Ten Units = 1 Ten =

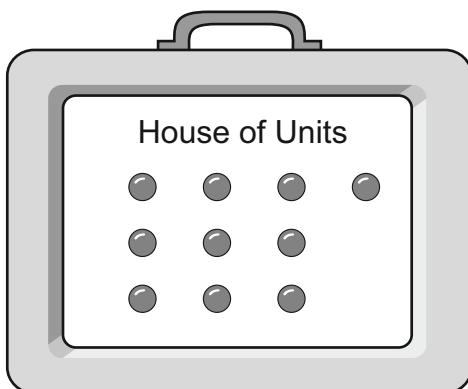

| Tens | Units |
|------|-------|
| 1    | 0     |

## Making Tens with beads

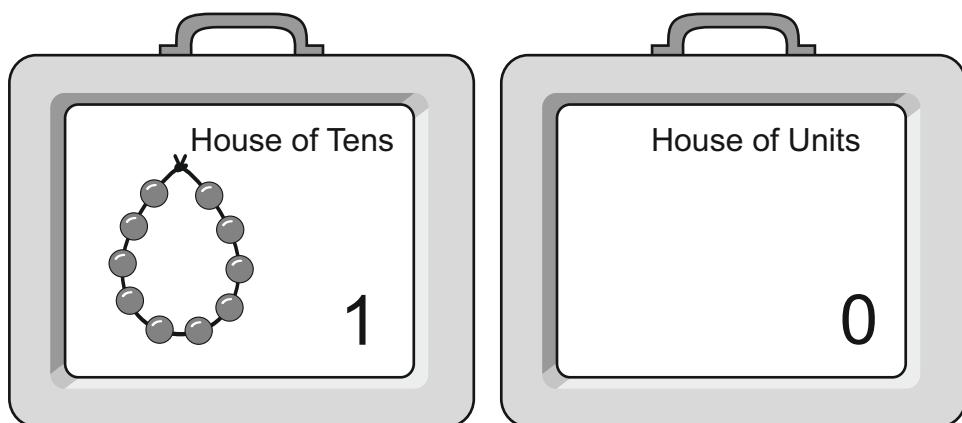

Nine loose beads on the slate

We place one more bead.  
Now there are ten loose beads on the slate.

String them to make a ring of ten beads. This ring of ten beads is a 'Ten'.

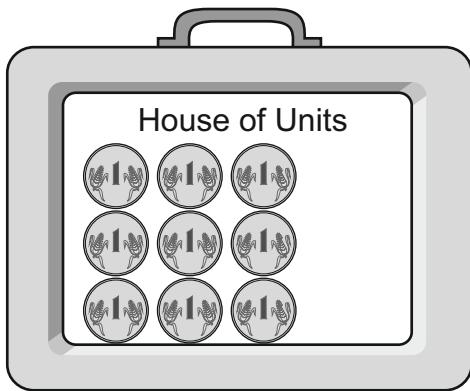

**Ten Units = One Ten**

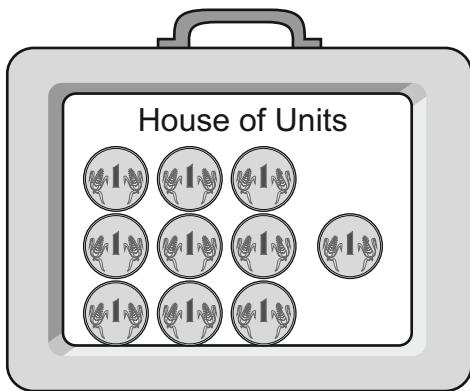

Ten Units =  Ten =  Tens  Units =

Ten Units = One Ten

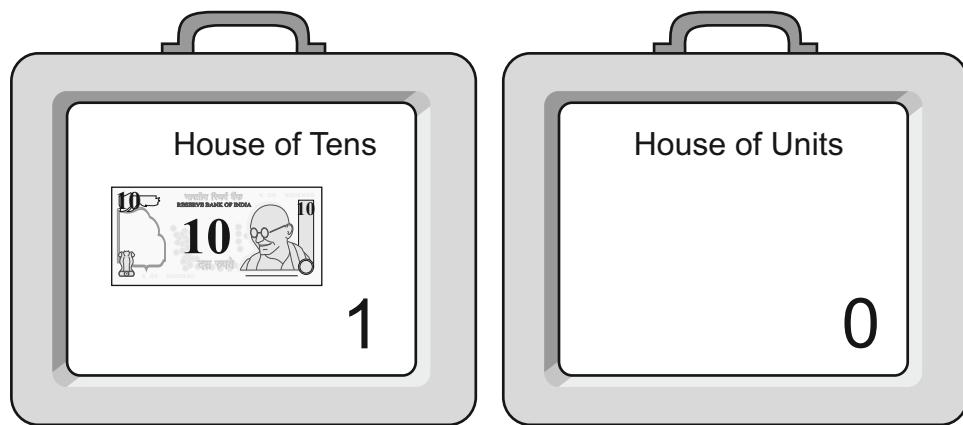

Nine one-rupee coins on the slate

Add one more Unit.  
Now there are Ten Units  
on the slate.

Exchange them to get a note of Ten.

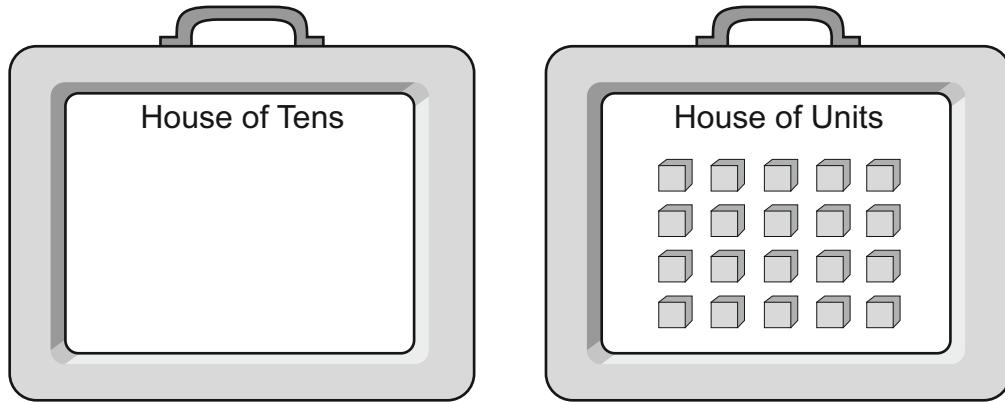

Ten Units = One Ten

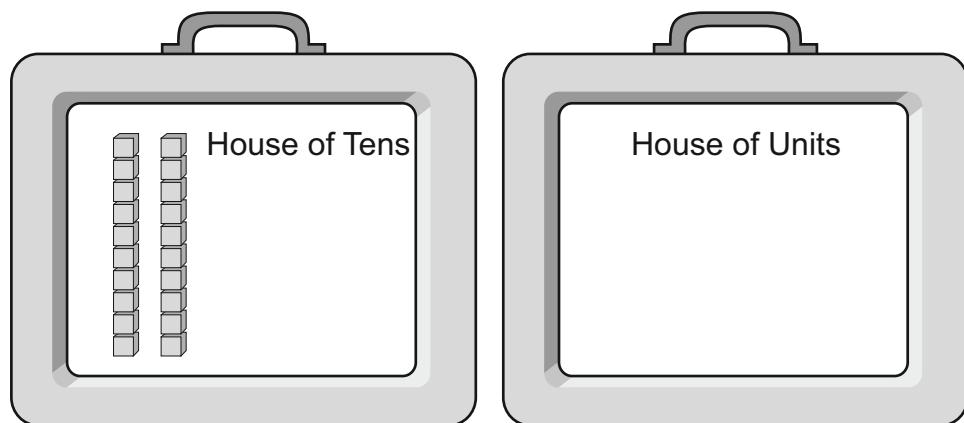

Ten Units = 1 Ten =

| Tens | Units |
|------|-------|
| 1    | 0     |

Twenty units in the house of units.

Join the units to make two rods of ten. Keep the two rods in their house. These are '2 Tens'.

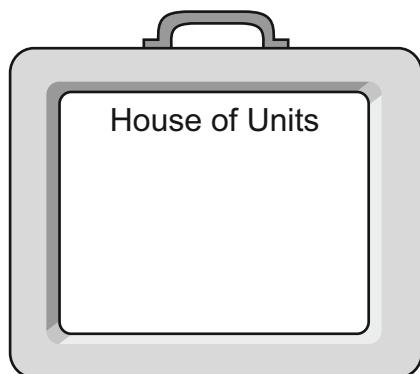

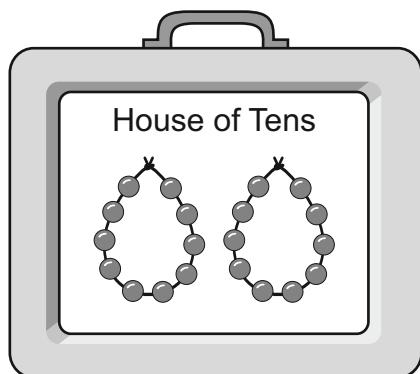

$$\text{Twenty Units} = \boxed{2} \text{ Tens} = \begin{array}{|c|c|} \hline \text{Tens} & \text{Units} \\ \hline 2 & 0 \\ \hline \end{array} = \boxed{20}$$

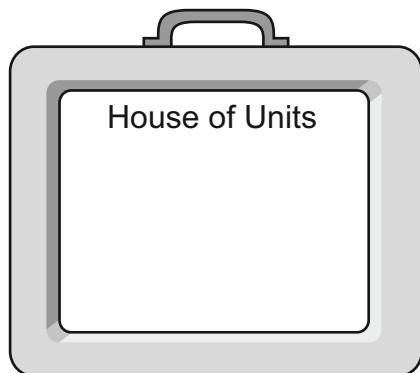

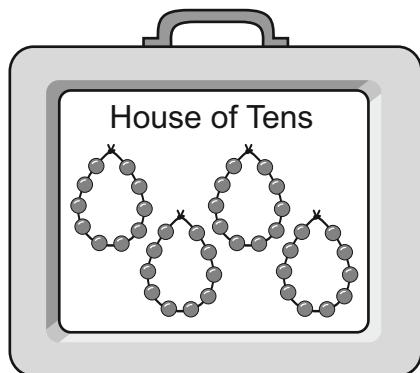

$$\text{Forty Units} = \boxed{\phantom{0}} \text{ Tens} = \begin{array}{|c|c|} \hline \text{Tens} & \text{Units} \\ \hline \phantom{0} & \phantom{0} \\ \hline \end{array} = \boxed{\phantom{00}}$$

$$\text{Seventy Units} = \boxed{\phantom{00}} \text{ Tens} = \begin{array}{|c|c|} \hline \text{Tens} & \text{Units} \\ \hline \phantom{0} & \phantom{0} \\ \hline \end{array} = \boxed{\phantom{000}}$$

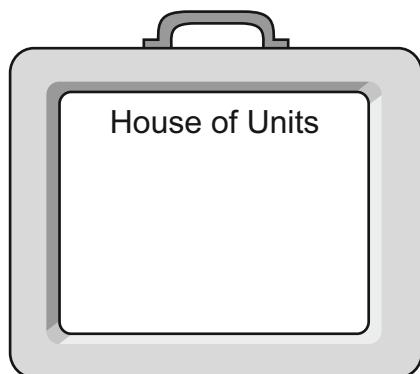

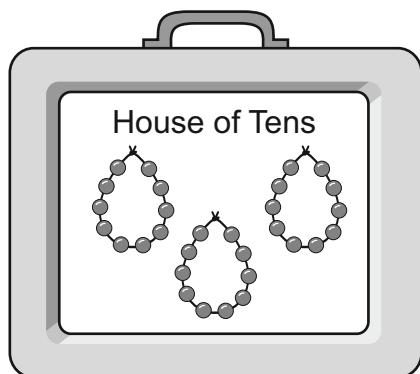

How many ? Write the Number.

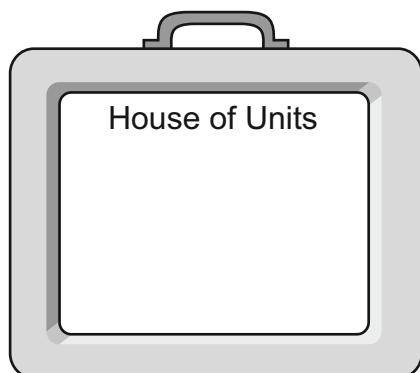

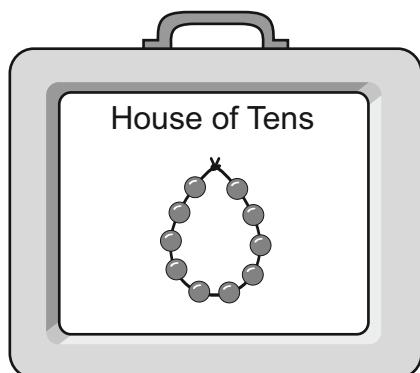

| Tens | Units |
|------|-------|
|      |       |

| Tens | Units |
|------|-------|
|      |       |

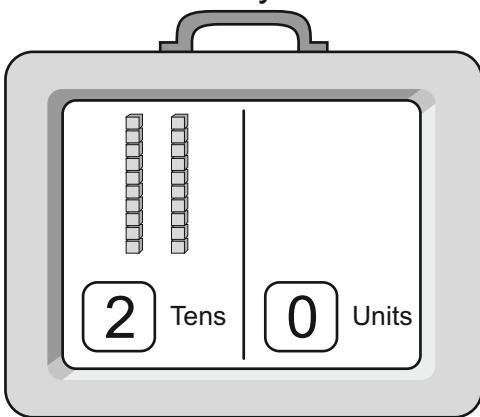

| Tens | Units |
|------|-------|
|      |       |

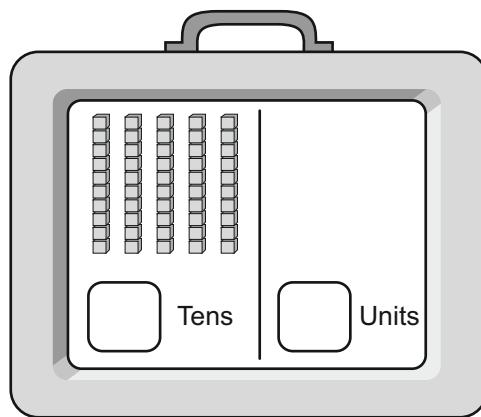

| Tens | Units |
|------|-------|
|      |       |

How many rods? How many cubes? What is the number?

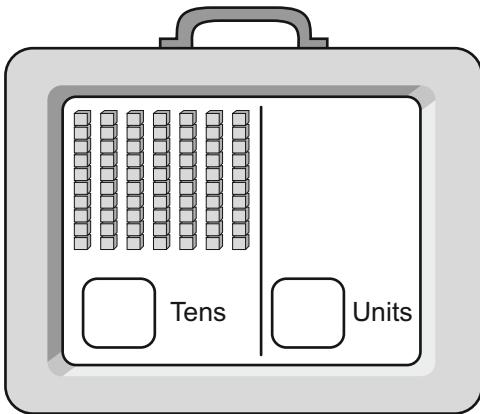

|      |       |
|------|-------|
| Tens | Units |
| 2    | 0     |

= Twenty

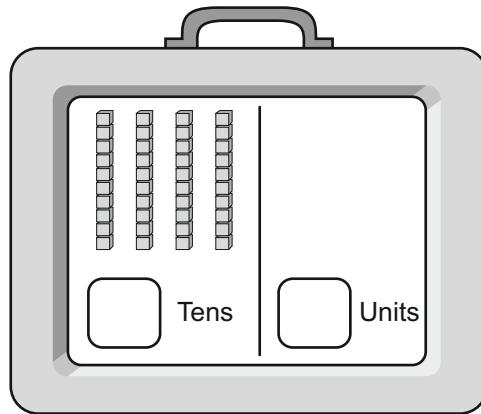

|      |       |
|------|-------|
| Tens | Units |
|      |       |

= \_\_\_\_\_

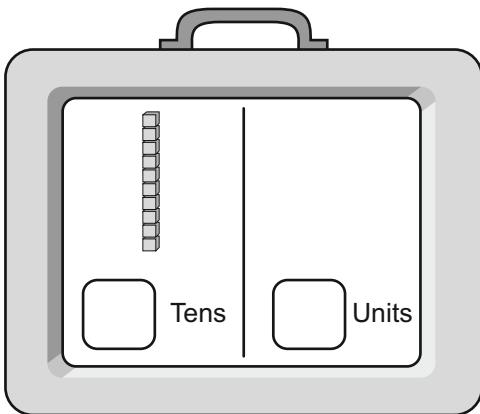

|      |       |

Draw circles around ten units. Make as many tens as possible.  
Write the number.

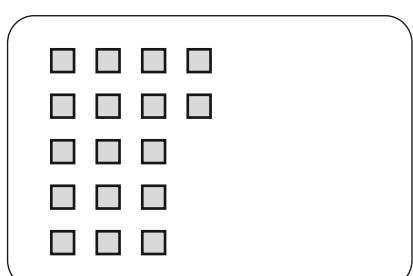

2 Tens       8 Units  
Therefore, 

|      |       |
|------|-------|
| Tens | Units |
| 2    | 8     |

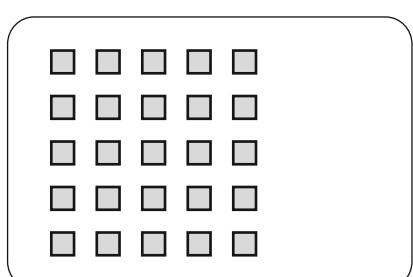

Tens       Units  
Therefore, 

|      |       |
|------|-------|
| Tens | Units |
| 1    | 0     |

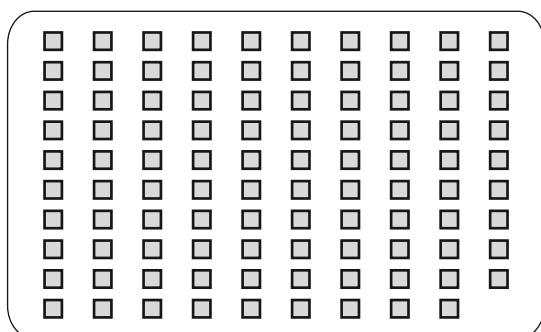

Tens       Units  
Therefore, 

|      |       |
|------|-------|
| Tens | Units |
| 1    | 5     |

Tens       Units  
Therefore, 

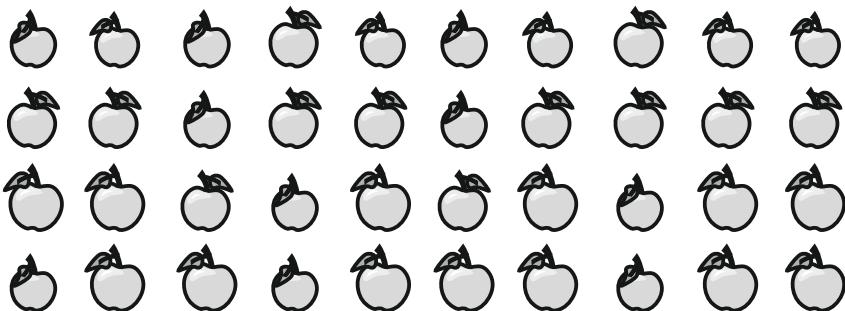

|      |       |
|------|-------|
| Tens | Units |
| 1    | 5     |

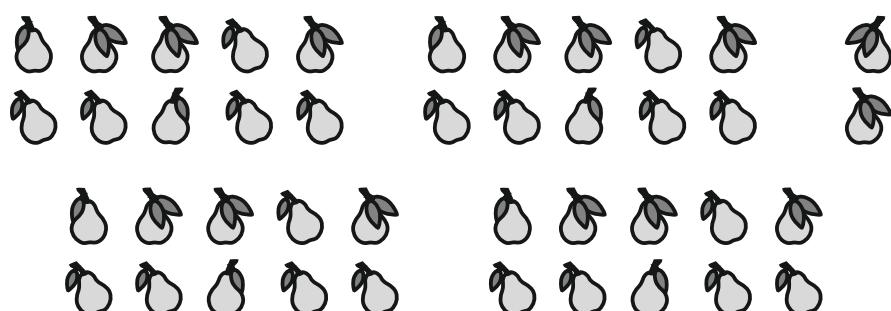

Tens       Units  
Therefore, 

|      |       |
|------|-------|
| Tens | Units |
| 0    | 0     |

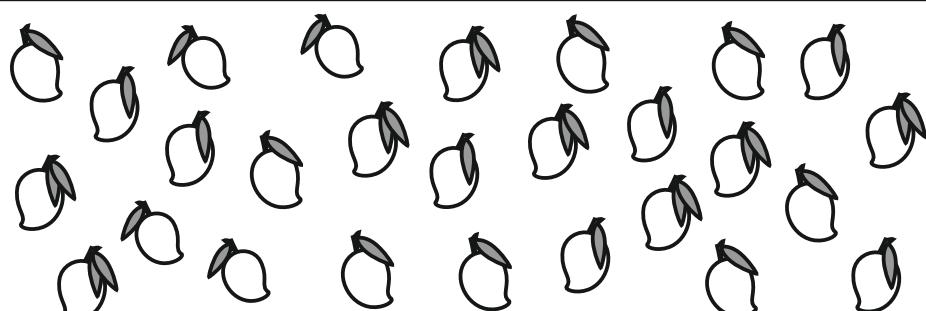

Make as many groups of ten as possible and then write the number.

Each one lifted one object. Who lifted which object? Match the pairs.

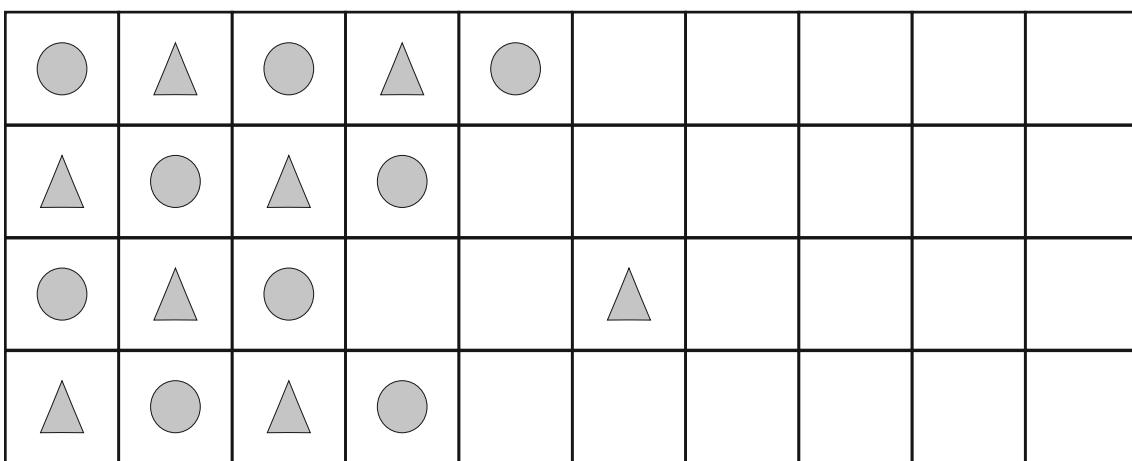

Draw a circle around each thing which you would be able to lift.

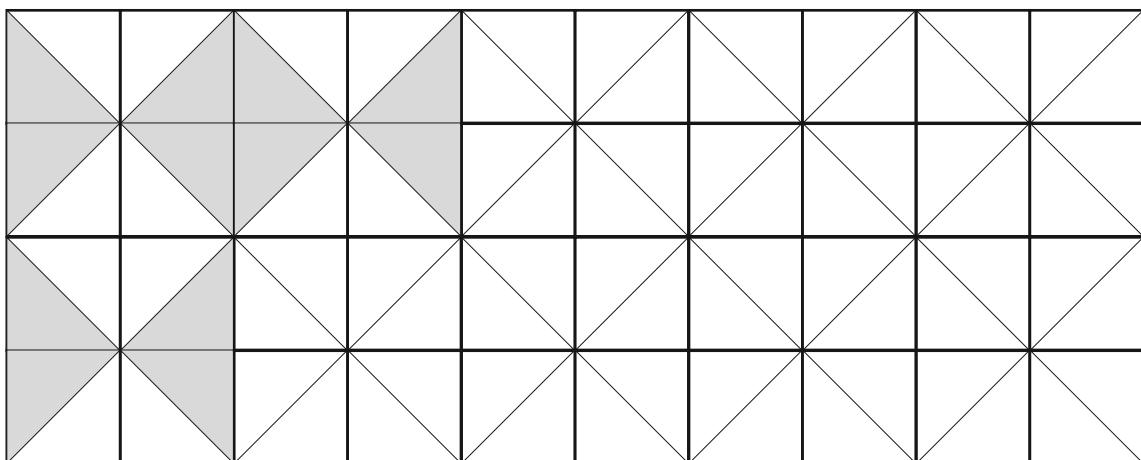

What follows in each sequence? Draw the pictures.

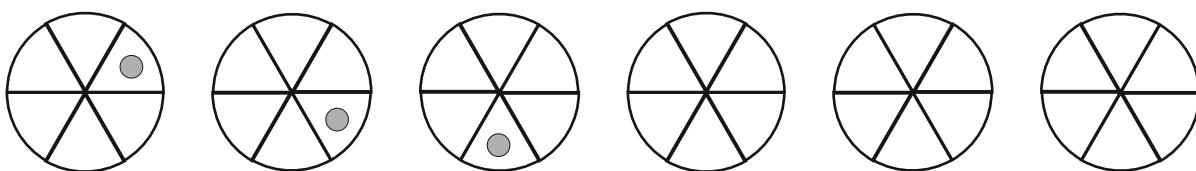

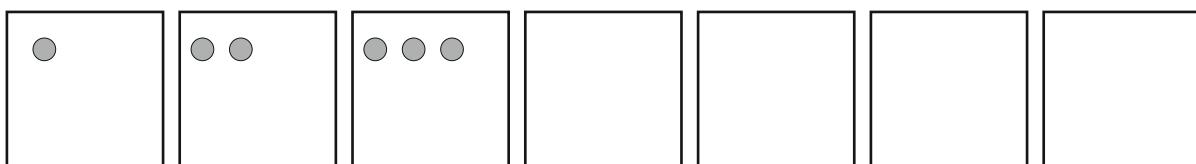

Look at the pattern and draw the missing pictures.

Complete the pattern by colouring the appropriate parts.

Complete the patterns

Complete the pattern by filling the blank squares.

Join each object to its shape and then to the name of the shape.

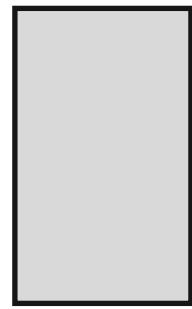

Rectangle

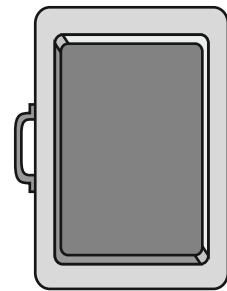

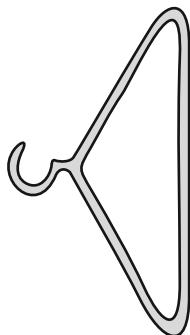

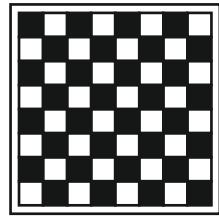

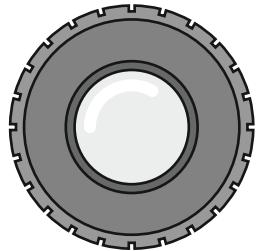

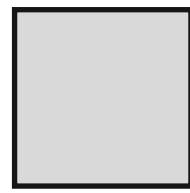

Triangle

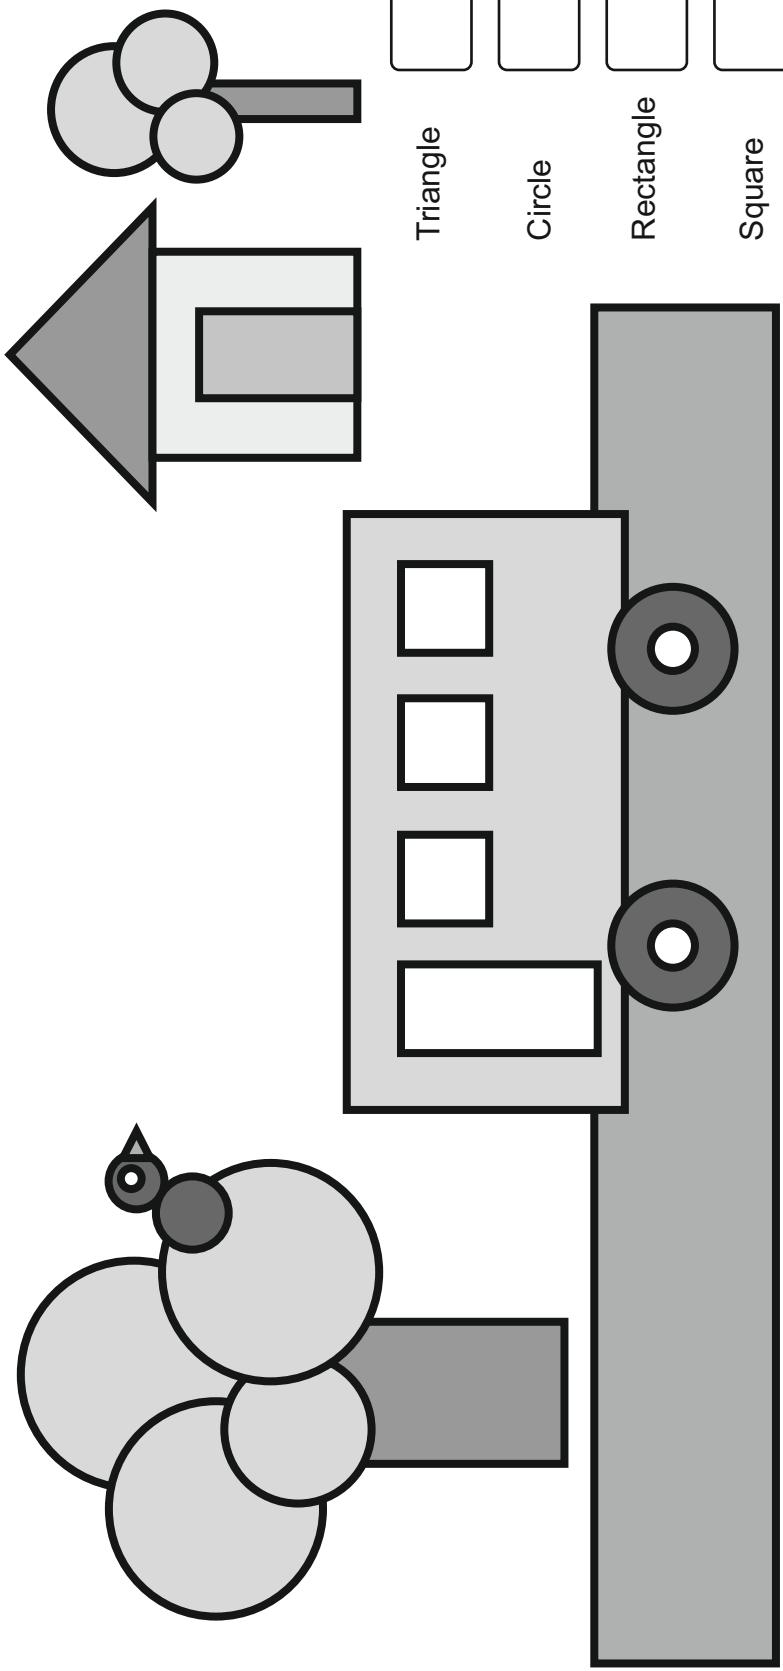

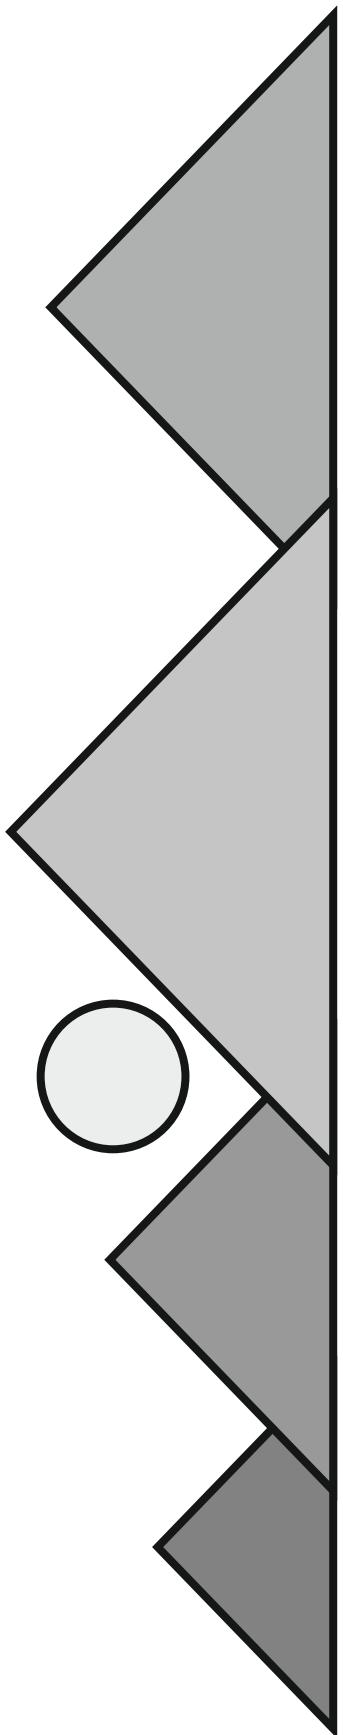

Square

Circle

Count the number of times each shape appears in the following picture.  
Write the number in the appropriate box.

|                      |                      |                      |                      |
|----------------------|----------------------|----------------------|----------------------|
| <input type="text"/> | <input type="text"/> | <input type="text"/> | <input type="text"/> |
|----------------------|----------------------|----------------------|----------------------|

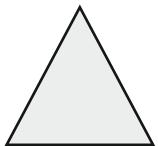

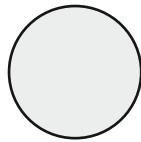

Triangle

Circle

Rectangle

Square

Look at the given shape. Draw many bigger and smaller shapes.

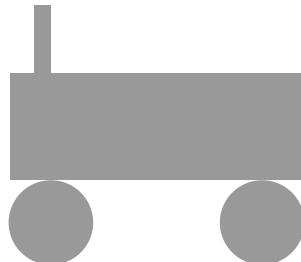

Each picture below is made by joining shapes like triangles, circles, squares and rectangles. Write below the picture which shapes were joined how many times.

---

---

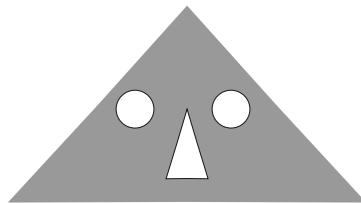

---

---

---

---

---

---

Make a picture by joining the given shapes as many times as you want.

## Yesterday - Today - Tomorrow

Write the missing days of the week in sequence:

|        |  |           |  |  |  |  |
|--------|--|-----------|--|--|--|--|
| Monday |  | Wednesday |  |  |  |  |
|--------|--|-----------|--|--|--|--|

|               |                  |
|---------------|------------------|
| Today is      | <u>Wednesday</u> |
| Yesterday was | _____            |
| Tomorrow is   | _____            |

|               |                 |
|---------------|-----------------|
| Today is      | _____           |
| Yesterday was | <u>Thursday</u> |
| Tomorrow is   | _____           |

|               |               |
|---------------|---------------|
| Today is      | _____         |
| Yesterday was | <u>Sunday</u> |
| Tomorrow is   | _____         |

|               |               |
|---------------|---------------|
| Today is      | _____         |
| Yesterday was | _____         |
| Tomorrow is   | <u>Sunday</u> |

|               |               |
|---------------|---------------|
| Today is      | _____         |
| Yesterday was | _____         |
| Tomorrow is   | <u>Friday</u> |

|               |               |

Look at this year's calendar.  
Write the serial number, name and number of days of each month.

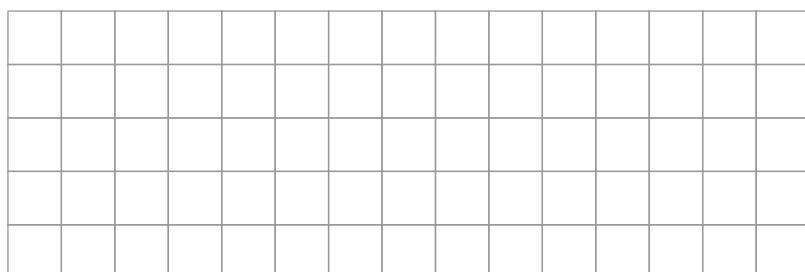

| <b>Serial number<br/>of the month</b> | <b>Name of<br/>the month</b> | <b>Number of days</b> |
|---------------------------------------|------------------------------|-----------------------|
| 1                                     | January                      | 31                    |
| 2                                     | February                     |                       |
|                                       |                              |                       |
|                                       |                              |                       |
|                                       |                              |                       |
|                                       |                              |                       |
|                                       |                              |                       |
|                                       |                              |                       |
|                                       |                              |                       |
|                                       |                              |                       |
|                                       |                              |                       |
|                                       |                              |                       |
|                                       |                              |                       |
|                                       |                              |                       |
|                                       |                              |                       |
|                                       |                              |                       |
|                                       |                              |                       |
|                                       |                              |                       |

Draw three horizontal lines.

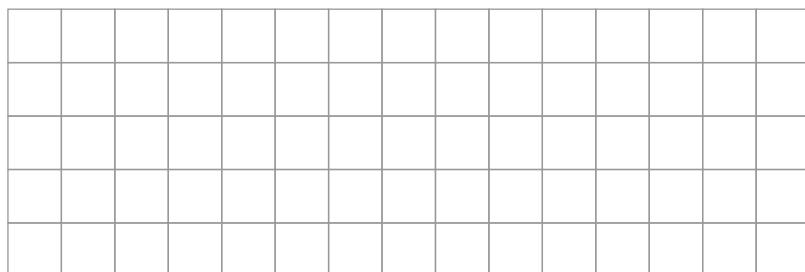

---

Draw three vertical lines.

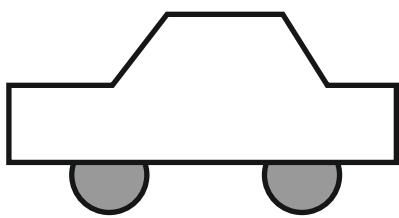

---

Draw three slanted lines.

---

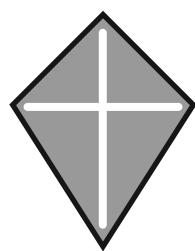

Look at each picture. Count and write the number of horizontal, vertical and slanted lines in each.

Horizontal lines

Vertical lines

Slanted lines

Horizontal lines

Vertical lines

Slanted lines

Colour the missing beads. Write the sum.

$$\begin{array}{r}
 + 6 \\
 4 \\
 \hline
 10
 \end{array}$$

| 14     | 6          |             |

| Number | First Part | Second Part |
|--------|------------|-------------|
| 15     | 10         |             |
| 15     | 9          |             |
| 15     | 8          |             |
| 15     | 7          |             |
| 16     | 10         |             |
| 16     | 9          |             |
| 16     | 8          |             |
| 17     | 10         |             |
| 17     | 9          |             |
| 18     | 9          |             |

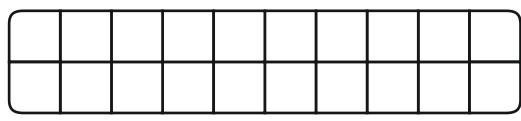

Colour the beads as instructed with equal number of beads in each column.

10 beads in 2 columns

$$\boxed{5} + \boxed{5} = \boxed{10}$$

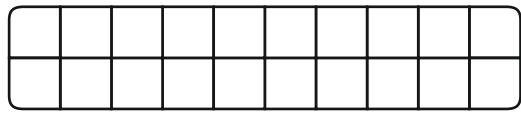

$$\boxed{10} - \boxed{5} = \boxed{5}$$

12 beads in 2 columns

$$\boxed{\phantom{0}} + \boxed{\phantom{0}} = \boxed{12}$$

$$\boxed{\phantom{0}} - \boxed{\phantom{0}} = \boxed{\phantom{0}}$$

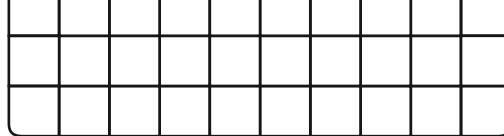

14 beads in 2 columns

$$\boxed{\phantom{0}} + \boxed{\phantom{0}} = \boxed{14}$$

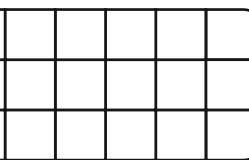

$$\boxed{\phantom{0}} - \boxed{\phantom{0}} = \boxed{\phantom{0}}$$

12 beads in 3 columns

15 beads in 3 columns

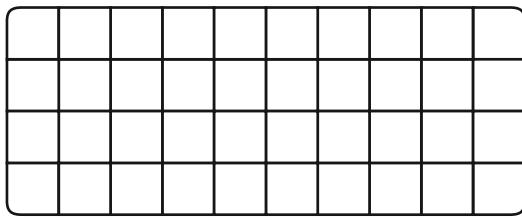

$$\boxed{\phantom{0}} + \boxed{\phantom{0}} + \boxed{\phantom{0}} = \boxed{12}$$

$$\boxed{\phantom{0}} + \boxed{\phantom{0}} + \boxed{\phantom{0}} = \boxed{15}$$

Colour the beads as instructed with equal number of beads in each column.

16 beads in 2 columns

$$\boxed{\quad} + \boxed{\quad} = \boxed{16}$$

$$\boxed{\quad} - \boxed{\quad} = \boxed{\quad}$$

16 beads in 4 columns

$$\boxed{\quad} + \boxed{\quad} + \boxed{\quad} + \boxed{\quad} = \boxed{16}$$

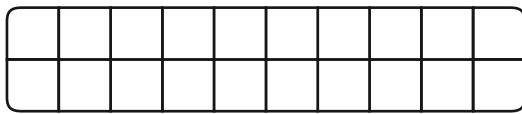

18 beads in 2 columns

$$\boxed{\quad} + \boxed{\quad} = \boxed{18}$$

$$\boxed{\quad} - \boxed{\quad} = \boxed{\quad}$$

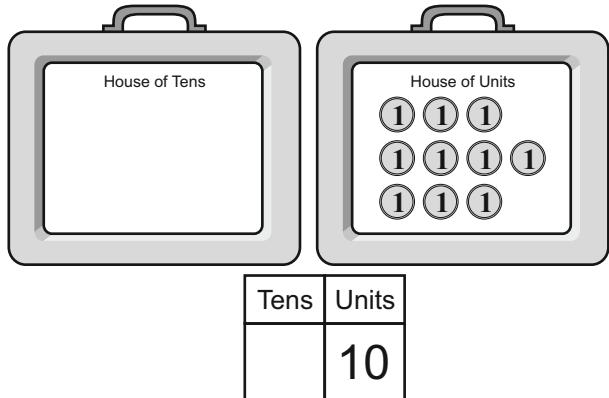

18 beads in 3 columns

$$\boxed{\quad} + \boxed{\quad} + \boxed{\quad} = \boxed{18}$$

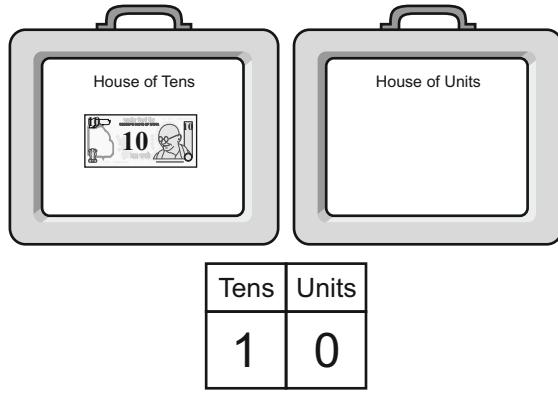

Look at the units and tens. Write the numeral in each house.

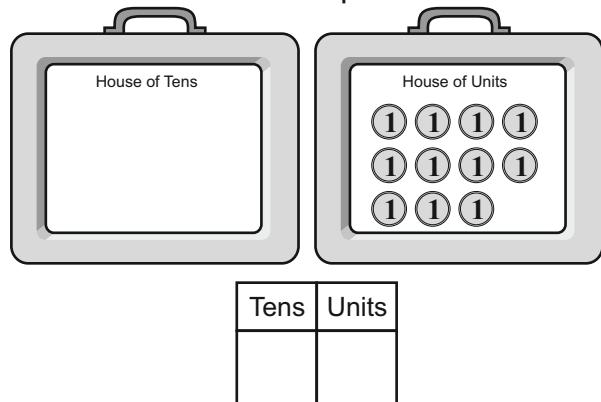

Ten rupees

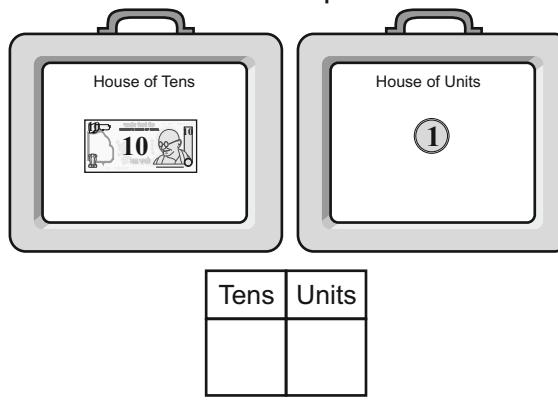

Ten rupees

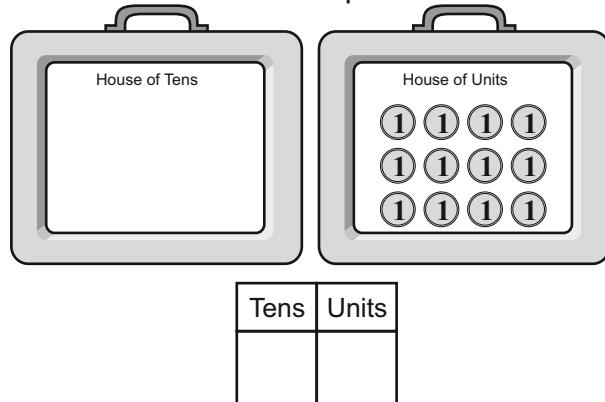

Eleven rupees

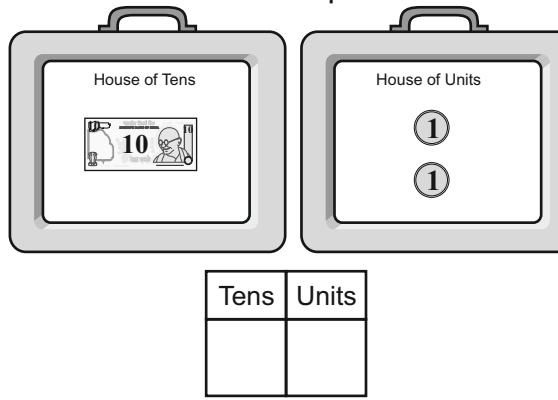

Eleven rupees

Twelve rupees

Twelve rupees

Look at the units and tens. Write the numerals in the correct houses.

Thirteen rupees

|               |  |
|---------------|--|
| House of Tens | House of Units   |
|               | A grey rectangular box labeled "House of Units" containing 13 small circles, each with a "1" inside. The circles are arranged in three rows: the first two rows have four circles each, and the third row has three circles. |

|      |       |
|------|-------|
| Tens | Units |
|      |       |

Thirteen rupees

|   |   |
|---|---|
| House of Tens   | House of Units  |
| A grey rectangular box labeled "House of Tens" containing a 10 rupee note with a person's face on it. | A grey rectangular box labeled "House of Units" containing 3 small circles, each with a "1" inside. |

|      |       |
|------|-------|

-

Sanju measured the pencil. It was about one span.

Measure the following objects with your span.

| Objects    | How many spans? |
|------------|-----------------|
| Slate      |                 |
| Math Book  |                 |
| Table      |                 |
| Blackboard |                 |
| Scale      |                 |

Fill in the blank boxes.

$$12 - 0 = \boxed{\phantom{00}}$$

$$6 + \boxed{\phantom{00}} = 11$$

$$14 - 6 = \boxed{\phantom{00}}$$

$$\boxed{\phantom{00}} - 9 = 10$$

$$\boxed{\phantom{00}} + 5 = 25$$

$$8 + 0 = \boxed{\phantom{00}}$$

$$\boxed{\phantom{00}} - 0 = 8$$

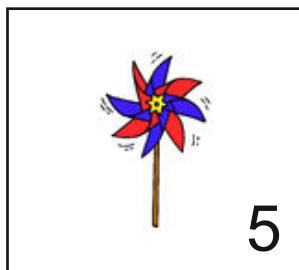

$$\boxed{\phantom{00}} + 0 = 8$$

$$8 - \boxed{\phantom{00}} = 8$$

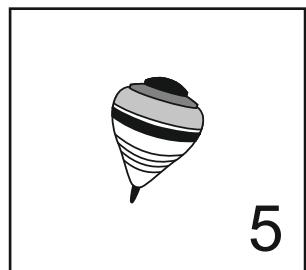

$$0 + \boxed{\phantom{00}} = 8$$

$$8 - \boxed{\phantom{00}} = 8$$

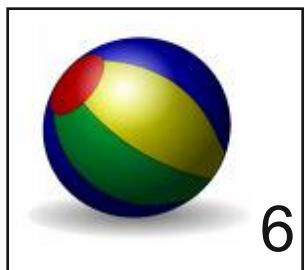

The numbers of each toy is written next to the picture.
